Scope of the Investigation

The merchandise covered by this investigation is aluminum foil having a thickness of 0.2 mm or less, in reels exceeding 25 pounds, regardless of width. Aluminum foil is made from an aluminum alloy that contains more than 92 percent aluminum. Aluminum foil may be made to ASTM specification ASTM B479, but can also be made to other specifications. Regardless of specification, however, all aluminum foil meeting the scope description is included in the scope, including aluminum foil to which lubricant has been applied to one or both sides of the foil.

Excluded from the scope of this investigation is aluminum foil that is backed with paper, paperboard, plastics, or similar backing materials on one side or both sides of the aluminum foil, as well as etched capacitor foil and aluminum foil that is cut to shape.

Where the nominal and actual measurements vary, a product is within the scope if application of either the nominal or actual measurement would place it within the scope based on the definitions set forth above. The products under investigation are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7607.11.3000, 7607.11.6000, 7607.11.9030, 7607.11.9060, 7607.11.9090, and 7607.19.6000. Further, merchandise that falls within the scope of this proceeding may also be entered into the United States under HTSUS subheadings 7606.11.3060, 7606.11.6000, 7606.12.3045, 7606.12.3055, 7606.12.3090, 7606.12.6000, 7606.91.3090, 7606.91.6080, 7606.92.3090, and 7606.92.6080.

In accordance with EAPA, Commerce intends to determine whether the merchandise subject to the referral is covered by the scope of the order and promptly transmit its determination to CBP. Commerce is providing notice of the referral and inviting participation from interested parties.

FOR FURTHER INFORMATION CONTACT: Manuel Rey at (202) 482-5518, AD/CVD Operations Office II, Enforcement & Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On February 24, 2016, the Trade Facilitation and Trade Enforcement Act of 2015 was signed into law, which contains Title IV-Prevention of Evasion of Antidumping and Countervailing Duty Orders (short title "Enforce and Protect Act of 2015" or "EAPA") (Pub. L. 114-125, 130 Stat. 122, 155, Feb. 24, 2016). Effective August 22, 2016, section 421 of the EAPA added section 517 to the Tariff Act of 1930, as amended (the Act), which establishes a formal process for CBP to investigate allegations of the evasion of antidumping and countervailing duty (AD/CVD) orders. Section 517(b)(4)(A) of the Act provides a procedure whereby if, during the course of an EAPA investigation, CBP is unable to determine whether the merchandise at issue is covered merchandise within the meaning of section 517(a)(3) of the Act, it shall refer the matter to Commerce to make such a determination. Section 517(a)(3) of the Act defines covered merchandise as merchandise that is subject to an antidumping duty order issued under section 736 of the Act or a countervailing duty order issued under section 706 of the Act. Section 517(b)(4)(B) of the Act states that Commerce, after receiving a covered merchandise referral from CBP, shall determine whether the merchandise is covered merchandise and promptly transmit its determination to CBP. The Act does not establish a deadline within

which Commerce must issue its determination.

On December 4, 2017, Commerce received a covered merchandise referral from CBP regarding CBP EAPA Investigation No. 7212¹ which concerns the AD order on HFCs from China.² Specifically, based on an allegation by RMS of Georgia d/b/a Choice

Refrigerants, CBP has requested that Commerce issue a determination as to whether certain merchandise imported by LM Supply, Inc. (LM Supply) is subject to the AD order on HFCs from China. Specifically, CBP asked Commerce to clarify: (1) If the scope exclusion for Choice® R-421A is limited to only merchandise that is licensed by the rights holder or does it apply to any HFC blends that satisfy the terms of the patents, and (2) if the scope exclusion is limited to only that merchandise that also carries the trademarks indicated in the scope exclusion.

Notification to Interested Parties

Commerce is hereby notifying interested parties that it has received the covered merchandise referral referenced above, will begin a new segment of the proceeding, and intends to issue a determination regarding whether the merchandise subject to the referral is covered merchandise within the meaning of section 517(a)(3) of the Act. Additionally, Commerce intends to provide interested parties with the opportunity to participate in this segment of the proceeding, including through the submission of comments, and, if appropriate, new factual information and verification. Specifically, Commerce will notify parties on the segment-specific service list for this segment of the proceeding of a schedule for comments. In addition, Commerce may request factual information from any person to assist in making its determination and may verify submissions of factual information, if Commerce determines that such verification is appropriate. Commerce intends to issue a final determination within 120 days of the publication of this notice (this deadline
