Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce's website at the following address: <http://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.¹

Any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information.² Parties must use the certification formats provided in 19 CFR 351.303(g).³

Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

On April 10, 2013, Commerce modified two regulations related to AD/CVD proceedings: the definition of factual information (19 CFR 351.102(b)(21)), and the time limits for the submission of factual information (19 CFR 351.301).⁴ Parties are advised to review the final rule, available at <http://enforcement.trade.gov/frn/2013/1304frn/2013-08227.txt>, prior to submitting factual information in these segments. To the extent that other regulations govern the submission of factual information in a segment (such as 19 CFR 351.218), these time limits will continue to be applied. Parties are also advised to review the final rule concerning the extension of time limits for submissions in AD/CVD proceedings, available at <http://enforcement.trade.gov/frn/2013/1309frn/2013-22853.txt>, prior to submitting factual information in these segments.⁵

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

SUPPLEMENTARY INFORMATION:

Background

On February 24, 2016, the Trade Facilitation and Trade Enforcement Act of 2015 was signed into law, which contains Title IV—Prevention of Evasion of Antidumping and Countervailing Duty Orders (short title “Enforce and Protect Act of 2015” or “EAPA”) (Pub. L. 114-125, 130 Stat. 122, 155, Feb. 24, 2016). Effective August 22, 2016, section 421 of the EAPA added section 517 to the Tariff Act of 1930, as amended (the Act), which establishes a formal process for CBP to investigate allegations of the evasion of antidumping and countervailing duty (AD/CVD) orders. Section 517(b)(4)(A) of the Act provides a procedure whereby if, during the course of an EAPA investigation, CBP is unable to determine whether the merchandise at issue is covered merchandise within the meaning of section 517(a)(3) of the Act, it shall refer the matter to Commerce to make such a determination. Section 517(a)(3) of the Act defines covered merchandise as merchandise that is subject to an antidumping duty order issued under section 736 of the Act or a countervailing duty order issued under section 706 of the Act. Section 517(b)(4)(B) of the Act states that Commerce, after receiving a covered merchandise referral from CBP, shall determine whether the merchandise is covered merchandise and promptly transmit its determination to CBP. The Act does not establish a deadline within

which Commerce must issue its determination.

On November 21, 2017, Commerce received a covered merchandise referral from CBP regarding CBP EAPA Investigation No. 7184¹ which concerns the AD order on diamond sawblades from China.² Specifically, based on an allegation by Diamond Sawblades Manufacturers Coalition (DSMC), CBP has requested that Commerce issue a determination as to whether diamond sawblades, imported by Diamond Tools Technology LLC (“DTT USA”), that are laser welded in Thailand by Diamond Tools Technology (Thailand), Ltd. (“DTT Thailand”) from: (1) Cores from Thailand and segments from China, (2) segments and cores that are both produced in China, and/or (3) cores from China and segments from Thailand, are merchandise subject to the AD order on diamond sawblades from China.

Notification to Interested Parties

Commerce is hereby notifying interested parties that it has received the covered merchandise referral referenced above, will begin a new segment of the proceeding, and intends to issue a determination regarding whether the merchandise subject to the referral is covered merchandise within the meaning of section 517(a)(3) of the Act. Additionally, Commerce intends to provide interested parties with the opportunity to participate in this segment of the proceeding, including through the submission of comments, and, if appropriate, new factual information and verification. Specifically, Commerce will notify parties on the segment-specific service list for this segment of the proceeding of a schedule for comments. In addition, Commerce may request factual information from any person to assist in making its determination and may verify submissions of factual information, if Commerce determines that such verification is appropriate. Commerce intends to issue a final determination within 120 days of the publication of this notice (this deadline
