

exceed their reported share interest in cotton acres on the farm;

(2) CCC confirms the shares are consistent with the acreage report to protect the interests of tenants and sharecroppers and at no time will payments be issued for total shares exceeding 100 percent of the total cotton acres reported on the farm, and where lease agreements exist under which terms are determined to be a share lease, according to 7 CFR part 1412, for cotton, neither the landlord, tenant, nor sharecropper will receive 100 percent of CGCS payment for the farm;

(3) If determined necessary and requested by the FSA county office committee, the applicant provided a copy of the lease agreement; and

(4) CCC determines that the payment shares do not circumvent either the provisions of this NOFA or the provisions of 7 CFR part 1400.

The result of an approved application will be a CGCS payment, consistent with the terms specified in this NOFA and the payment application. All applications are subject to the approval by FSA on behalf of CCC, and FSA will not approve ineligible applications.

#### Provisions Requiring Refund to FSA

In the event that any application for a CGCS payment resulted from erroneous information or a miscalculation, the payment will be recalculated and the participant must refund any excess payment to FSA with interest to be calculated from the date of the disbursement to the participant. If, for whatever reason, FSA determines that the applicant misrepresented either the acreage or share of cotton acreage or both, or if the CGCS payment would exceed the participant's payment based upon correct acreage and share, the application will be disapproved and the full CGCS payment for that crop and participant will be required to be refunded to FSA with interest from the date of disbursement. If any corrections to the 2016 cotton crop acres or shares are made to the acreage report and would have resulted in a lower CGCS payment, the applicant will be required to refund the difference with interest from date of disbursement.

The liability of anyone for any penalty or sanction resulting from a CGCS application, or for any refund to FSA or related charge is in addition to any other liability of such person under any civil or criminal fraud statute or any other provision of law including, but not limited to: 18 U.S.C. 286, 287, 371, 641, 651, 1001, and 1014; 15 U.S.C. 714; and 31 U.S.C. 3729.

#### Paperwork Reduction Act Requirements

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), OMB approved an emergency information collection request on CGCS for 6 months under OMB control number of 0560-0287 so FSA can begin the application period upon publication of this NOFA.

#### Environmental Review

Because this is a one-time payment for commodities that is not connected to the management of existing operations (consistent with 7 CFR 799.31(b)(6)(iii)), there are no measurable individual or cumulative impacts to the human environment, as defined by the National Environmental Policy Act and, as such, no Environmental Assessment or Environmental Impact Statement will be prepared. Consistent with the nature and anticipated impacts of this action, this NOFA serves as documentation of the programmatic environmental compliance decision for this federal action.

#### Federal Assistance Programs

The title and number of the Federal assistance programs, as found in the Catalog of Federal Domestic Assistance, to which this NOFA applies is:

10.118 Cotton Ginning Cost Share Program.
