

they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation.

Closed Committee Deliberations: On December 12, 2001, from 1:15 p.m. to 5:15 p.m., the meeting will be closed to permit discussion and review of trade secret and/or confidential information (5 U.S.C. 552b(c)(4)).

FDA regrets that it was unable to publish this notice 15 days prior to the December 12, 2001, Antiviral Drugs Advisory Committee meeting. Because the agency believes there is some urgency to bring this issue to public discussion and qualified members of the Antiviral Drugs Advisory Committee were available at this time, the Commissioner of Food and Drugs concluded that it was in the public interest to hold this meeting even if there was not sufficient time for the customary 15-day public notice.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: November 21, 2001.

INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 731-TA-929-931 (Final)]

Silicomanganese From India, Kazakhstan, and Venezuela

AGENCY: United States International Trade Commission.

ACTION: Scheduling of the final phase of antidumping investigations.

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping investigations Nos. 731-TA-929-931 (Final) under section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of less-than-fair-value imports from India, Kazakhstan, and Venezuela of silicomanganese, provided for in subheading 7202.30.00 of the Harmonized Tariff Schedule of the United States (HTS).^{1 2}

¹ For purposes of these investigations, the Department of Commerce has defined the subject

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission's rules of practice and procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

EFFECTIVE DATE: November 9, 2001.

Woodley Timberlake (202-205-3188), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>). The public record for these investigations may be viewed on the Commission's electronic docket (EDIS-ON-LINE) at <http://dockets.usitc.gov/eol/public>.

SUPPLEMENTARY INFORMATION:

Background

The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that imports of silicomanganese from India, Kazakhstan, and Venezuela are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigations were requested in a petition filed on April 6, 2001, by Eramet Marietta, Inc. (Marietta, OH) and the Paper, Allied-Industrial, Chemical and Energy Workers International Union, Local 5-0639.

merchandise as "all forms, sizes and compositions of silicomanganese, except low-carbon silicomanganese, including silicomanganese, including silicomanganese briquettes, fines and slag." Silicomanganese generally contains by weight not less than 4 percent iron, more than 30 percent manganese, more than 8 percent silicon and not more than 3 percent phosphorous. Low-carbon silicomanganese excluded from the scope of these investigations is a ferroalloy with the following chemical specifications: minimum 55 percent manganese, minimum 27 percent silicon, minimum 4 percent iron, maximum 0.10 percent phosphorus, maximum 0.10 percent carbon and maximum 0.05 percent sulfur.

² Some silicomanganese may also be entered under HTS statistical reporting number 7202.99.5040. The merchandise covered by the scope of these investigations includes all silicomanganese (excluding the aforementioned low-carbon silicomanganese), regardless of its tariff classification.

Participation in the Investigations and Public Service List

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List

Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff Report

The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on January 10, 2002, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission's rules.

Hearing

The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on January 24, 2002, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before January 17, 2002. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and

nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on January 22, 2002, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by §§ 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written Submissions

Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.23 of the Commission's rules; the deadline for filing is January 17, 2002. Parties may also file written testimony in connection with their presentation at the hearing, as provided in § 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission's rules. The deadline for filing posthearing briefs is January 31, 2002; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before January 31, 2002. On February 21, 2002, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before February 25, 2002, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.

By order of the Commission.

Issued: November 26, 2001.

Donna R. Koehnke,

Secretary.

NUCLEAR REGULATORY COMMISSION

[Docket No. 50-247, License No. DPR-26]

Entergy Nuclear Operations, Inc.; Notice of Issuance of Director's Decision Under 10 CFR 2.206

Notice is hereby given that the Director, Office of Nuclear Reactor Regulation, has issued a Director's Decision with regard to a Petition dated December 4, 2000, filed by Deborah Katz, Marilyn Elie, Tim Judson, Kyle Rabin, Mark Jacobs, Paul Gunter, and Jim Riccio, hereinafter referred to as the "Petitioners." The Petition was supplemented on January 24, 2001. The Petition concerns the operation of the Indian Point Nuclear Generating Unit No. 2 (IP2).

The Petitioners requested that the Nuclear Regulatory Commission (NRC) take the following enforcement-related actions against Consolidated Edison of New York (ConEd, or the licensee) for IP2: (1) Suspend the license for the IP2 reactor because of the licensee's "persistent and pervasive, negligent management of the reactor," (2) investigate whether the potential misrepresentation of material fact by the utility regarding "significantly insufficient" engineering calculations was due to a lack of rigor and thoroughness or was deliberate, (3) revoke the IP2 operating license if it is found that the licensee deliberately provided insufficient and false information, (4) if the license is not revoked, maintain IP2 on the list of "agency focus" plants until management demonstrates it can fulfill its regulatory requirements and commitments, (5) not approve the transfer of the IP2 license until management can demonstrate that the Updated Final Safety Analysis Report (UFSAR), the condition report backlog, and the maintenance requirements are up to date and workers have been retrained, and (6) not allow the IP2 reactor to restart until the fundamental breakdown in management is analyzed and corrected. The Petitioner also requested that a public meeting be held to discuss this matter.

As the basis for the December 4, 2000, request, the Petitioners stated that the licensee's systemic mismanagement of
