SUPPLEMENTARY INFORMATION: On May 11, 2010, President Obama issued a Memorandum for the Heads of Executive Departments and Agencies in which he stated that "the Federal Government must recruit and hire highly qualified employees and public service should be a career of choice for the most talented Americans." This public meeting was one phase of that initiative.

The purpose of this meeting was (1) to hear and consider views on whether normal, competitive hiring is an effective avenue for bringing recent college graduates into the Federal workforce and, if so, why that is the case; (2) to ascertain from those who believe that it is not effective, whether this presents a problem for the Federal Government that is sufficiently significant to warrant action or changes to policy; and (3) if action or changes in policy are warranted, to determine what change should be effected and by whom. The transcripts from that public hearing are now available at *http://www.chcoc.gov/documents/DisplayDocument.aspx?PublicDocID=195.* Members of the public are invited to provide any further comments they wish addressing the three issues presented above, and, in particular, to respond to comments made at the hearing.
