that reflects the composition of the Board as provided under the Dodd-Frank Act and would assure that the Nominating and Governance Committee be composed of a majority of public members and have fair representation of broker-dealers, bank dealers, and municipal advisors, consistent with MSRB Rule A–3(i) as approved by the SEC.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Board does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act since it is solely concerned with the administration of the MSRB and, in any event, provides for fair representation on the Nominating and Governance Committee of public representatives, broker dealer representatives, bank dealer representatives and municipal advisor representatives.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date Of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve or disapprove such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should

be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. The Commission seeks comment on all aspects of the MSRB's proposed rule change, including the proposed composition of the Nominating and Governance Committee and whether the number and proportion of public representatives, broker-dealer representatives, bank representatives, and advisor representatives is appropriate. Because the MSRB, under the Dodd-Frank Act, is now proposing and adopting rules with respect to the activities of two distinct categories of market participants—municipal securities dealers and municipal securities advisors—the Commission seeks comment on whether the proposed structure of the MSRB Nominating and Governance Committee will assure that the interests of each constituency are fairly represented. Are there alternative Nominating and Governance Committee structures or other arrangements that would better achieve these goals? Is the proposed process for soliciting nominations for Board membership an appropriate method of identifying applicants? Will the nomination process be sufficiently transparent? Comments may be submitted by any of the following methods:

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the MSRB.
