ACTION: Notice; request for comments.

SUMMARY: Committee for Purchase From People Who Are Blind or Severely Disabled (Committee) will submit the collection of information listed below to OMB for approval under the provisions of the Paperwork Reduction Act. This notice solicits comments on this collection of information.

DATES: Submit your written comments on the information collection on or before July 15, 2015.

ADDRESSES: Mail your comments on the requirement to Lou Bartalot, Director Compliance, Committee for Purchase From People Who Are Blind or Severely Disabled, 1401 S. Clark Street, Suite 715, Arlington, VA 22202–4149; fax (703) 603–0655; or email *rulecomments@abilityone.gov.*

FOR FURTHER INFORMATION CONTACT: To request a copy of the applicable forms or explanatory material, contact Edward Yang at the address in the above paragraph or through the above email address.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). The Committee plans to submit a request to OMB to approve a revised collection of information concerning annual certification of nonprofit agencies serving people who are blind or who have other significant disabilities to participate in the AbilityOne Program. The Committee is requesting a 3-year term of approval for this information collection activity.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the current collections of information are 3037–0001 and 3037–0002. The OMB control number for the revised collection of information is 3037–0013.

The JWOD Act of 1971 (41 U.S.C. 8501–8506) is the authorizing legislation for the AbilityOne Program. The AbilityOne Program creates jobs and training opportunities for people who are blind or who have other severe disabilities. Its primary means of doing so is by requiring Government agencies to purchase selected products and services from nonprofit agencies employing such individuals. The AbilityOne Program is administered by the Committee. Two national, independent organizations, National Industries for the Blind (NIB) and SourceAmerica, help State and private nonprofit agencies participate in the AbilityOne Program.

The implementing regulations for the JWOD Act, which are located at 41 CFR Chapter 51, provide the requirements, procedures, and standards for the AbilityOne Program. Section 51–4.3 of the regulations sets forth the standards that a nonprofit agency must meet to maintain qualification for participation in the AbilityOne Program. Under this section of the regulations, a nonprofit agency that wants to continue to participate in the AbilityOne Program must submit a completed copy of the appropriate Annual Certification form (Committee Form 403 or 404). This documentation helps the Committee determine whether the applicant nonprofit agency is meeting the requirements of the AbilityOne Program.

This information collection request seeks approval for the Committee to continue to collect the information required under 41 CFR 51–4.3 of the regulations, but in a revised and expanded format, so that the Committee can continue to verify the appropriateness of nonprofit agencies that would like to participate in the AbilityOne Program. The previous separate forms have been combined into one form. The items being certified have been revised to match the regulatory requirements of section 51–4.3 and to collect other pertinent information on the qualifications of nonprofit agencies. New questions concerning nonprofit agency hours, wages, people performing direct labor, subcontracting and veterans have been added. In addition, the language at the bottom of the certification section has been revised.
