

Tariff Schedule subheading subject to this request.

The USTR noted that his office had previously notified the Commission that these five cotton articles were being considered for designation as eligible articles under the GSP program for least-developed beneficiary developing countries only, and that the Commission had provided its advice in May 2012 (in its report on investigation No. 332–529) as to the probable economic effect of the elimination of U.S. import duties on those articles for least-developed beneficiary developing countries under the GSP program.

Time for reporting, possible classification of report. As requested by USTR, the Commission will provide its advice by August 28, 2015. The USTR indicated that those sections of the Commission's report and related working papers that contain the Commission's advice will be classified as "confidential," and that USTR considers the Commission's report to be an inter-agency memorandum that will contain pre-decisional advice and be subject to the deliberative process privilege.

Written Submissions: Interested parties are invited to file written submissions concerning this investigation. All written submissions should be addressed to the Secretary, and should be received not later than 5:15 p.m., July 30, 2015. All written submissions must conform with the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 and the Commission's Handbook on Filing Procedures require that interested parties file documents electronically on or before the filing deadline and submit eight (8) true paper copies by 12:00 p.m. eastern time on the next business day. In the event that confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). Persons with questions regarding electronic filing should contact the Secretary (202–205–2000).

Any submissions that contain confidential business information must also conform with the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential"

version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission may include in the report it sends to the President and the USTR some or all of the confidential business information it receives in this investigation. The USTR has asked that the Commission make available a public version of its report shortly after it sends its report to the President and the USTR, with any classified or privileged information deleted. Any confidential business information received in this investigation and used in the preparation of the report will not be published in the public version of the report in such a manner as would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: The Commission intends to publish summaries of the positions of interested persons. Persons wishing to have a summary of their position included in the report should include a summary with their written submission. The summary may not exceed 500 words, should be in MSWord format or a format that can be easily converted to MSWord, and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will identify the name of the organization furnishing the summary and will include a link to the Commission's Electronic Document Information System (EDIS) where the full written submission can be found.

By order of the Commission.

Issued: July 13, 2015.

Secretary to the Commission.
