Proposed Information Collection Activity; Comment Request

Title: Collection of LIHEAP Recipient Household Data for 2015 RECS LIHEAP Administrative Data Matching.

OMB No.: New Collection.

For Further Information Contact:

Lauren Christopher, Director, Division of Energy Assistance, Office of Community Services, 330 C Street SW., 5th Floor, Mail Room 5425 Washington, DC 20201. Telephone (202) 401-4870; email: lauren.christopher@acf.hhs.gov.

Description: The Office of Community Services (OCS) is planning to require the reporting of administrative household data for State LIHEAP grantees' FY 2015 LIHEAP recipients.

The purpose of this request is to provide data that will allow OCS to identify LIHEAP recipients that responded to the 2015 Residential Energy Consumption Survey (RECS). The U.S. Energy Information Administration (EIA) conducts this survey to provide periodic national and regional data on residential energy use in the United States. OCS uses RECS data to furnish Congress and the Administration with important national and regional descriptive data on the energy needs of low-income households.

State LIHEAP grantees have provided household-level recipient data in 2001, 2005, and 2010 for similar efforts to identify LIHEAP recipients that participated in the RECS for those years. Administrative household data already is collected by State grantees and used to complete the annual LIHEAP Household Report (OMB Control No. 0970-0060) and the annual LIHEAP Performance Data Form (OMB Control No. 0970-0449).

The LIHEAP data collected for this effort will be used by OCS to study the impact of LIHEAP on income eligible and recipient households in accordance with section 2610(b)(2) of the LIHEAP statute. The information is being collected for use in development of the Department's annual *LIHEAP Report to Congress* and the annual *LIHEAP Home Energy Notebook*.

State LIHEAP grantees will be asked to furnish data for LIHEAP recipient households that reside in areas included in the RECS sample.

The following are the specific data items grantees will report for each household:

- Name
- Address (including ZIP code)
- Household or Client ID
- Telephone Number
- Household Size
- Gross Income
- Heating assistance awarded?
- Amount of heating assistance
- Date of heating assistance
- Cooling assistance awarded?
- Amount of cooling assistance
- Date of cooling assistance
- Crisis Assistance awarded?
- Amount of crisis assistance
- Date of crisis assistance
- Other Assistance awarded?
- Amount of other assistance
- Date of other assistance
- Presence of children 5 or younger
- Presence of adult 60 or older
- Presence of disabled

The following are optional data items that grantees can provide if the data are available in your database:

- Tenancy (*i.e.*, own or rent)
- Type(s) of fuel used
- Heat included in rent

State LIHEAP grantees can provide the data elements in the selected format of their choosing.

The confidentiality of client data will be strictly protected as part of the Project. LIHEAP application client waivers allow grantees to share information with OCS and its contractors.

Respondents: State Governments and the District of Columbia.
