

“9000–0191; High Global Warming Potential Hydrofluorocarbons,” in all correspondence related to this collection. Comments received generally will be posted without change to <http://www.regulations.gov>, including any personal and/or business confidential information provided. To confirm receipt of your comment(s), please check www.regulations.gov, approximately two to three days after submission to verify posting (except allow 30 days for posting of comments submitted by mail).

FOR FURTHER INFORMATION CONTACT: Mr. Charles Gray, Procurement Analyst, Federal Acquisition Policy Division, at 703–795–6328 or email charles.gray@gsa.gov.

SUPPLEMENTARY INFORMATION:

A. Purpose

DoD, GSA, and NASA published a proposed rule at 80 FR 26883 on May 11, 2015, to implement Executive branch policy in the President’s Climate Action Plan to procure, when feasible, alternatives to high GWP HFCs. FAR Case 2014–026, High Global Warming Potential Hydrofluorocarbons, proposed to modify FAR provision 52.223–11, Ozone-Depleting Substances, and 52.223–12, Refrigeration Equipment and Air Conditioners, to address high global warming potential (GWP) hydrofluorocarbons (HFCs).

For equipment and appliances that normally contain 50 or more pounds of HFCs or HFC blends, the clauses will now include requirements to track by type, equipment/application, contract, agency, and location, the amount in pounds of HFCs or HFC blends contained in such equipment and appliances delivered to the Government; or added or taken out of such equipment and appliances that will be maintained, repaired, or disposed under the contract. The contractor is required to report the information annually to a centralized Government Web site.

B. Annual Reporting Burden

To estimate the number of respondents affected by the reporting requirement in FAR 52.223–11 and 52.223–12, the Government reviewed the number of contracts awarded or orders issued for the Federal Supply Code Categories that would most commonly be used for the bulk materials, products used for maintenance, and equipment containing HFCs:

Respondents: 3,172.

Responses per respondent: 1.

Total annual responses: 3,172.

Hours per response: 8.

Total Burden Hours: 25,376.

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Obtaining Copies of Proposals:

Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW., Washington, DC 20405, telephone 202–501–4755. Please cite OMB Control Number “9000–0191, High Global Warming Potential Hydrofluorocarbons,” in all correspondence.

William Clark,

Director, Office of Governmentwide Acquisition Policy, Office of Acquisition Policy, Office of Governmentwide Policy.

BILLING CODE 6820–EP–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children And Families

[CFDA Number: 93.564]

Announcement of the Award of a Single-Source Expansion Supplement Grant to the Wisconsin Department for Children and Families in Madison, WI

AGENCY: Office of Child Support Enforcement, ACF, HHS

ACTION: Notice of the award of a single-source expansion supplement grant to the Wisconsin Department of Children and Families to support the evaluation of the Child Support Noncustodial Parent Employment Demonstration.

SUMMARY: The Administration for Children and Families (ACF), Office of Child Support Enforcement, Division of Program Innovation announces the award of a cooperative agreement in the amount of \$700,000 to the Wisconsin Department for Children and Families in Madison, WI to support the evaluation of the Child Support

Noncustodial Parent Employment Demonstration.

In FY 2012, the Office of Child Support Enforcement (OCSE) competitively awarded a cooperative agreement to the Wisconsin Department of Children and Families to conduct a 5-year evaluation of OCSE’s national demonstration called Child Support Noncustodial Parent Employment Demonstration (CSPED) under Funding Opportunity Announcement (FOA) number HHS–2012–ACF–OCSE–FD–0537. Under this FOA, a total of \$4.5 million of 1115 funds were made available to the Wisconsin Department of Children and Families to conduct this evaluation.

The award of \$700,000 the Wisconsin Department of Children and Families is required to cover the unanticipated costs of conducting the CSPED evaluation. The CSPED evaluation includes an impact evaluation using random assignment, an implementation study and a benefit-cost analysis. The evaluator is also providing evaluation-related technical assistance to the grantees implementing CSPED. A baseline and 12 month follow-up survey are being conducted. Administrative data from multiple sources are also being collected and evaluated. A grants management information system was developed for grantees to use to conduct random assignment, enroll individuals into the project, and document service delivery.

DATES: The period of support for this supplement is September 30, 2015 through September 29, 2016.

FOR FURTHER INFORMATION CONTACT: Elaine Sorensen, Office of Child Support Enforcement, 330 C Street SW., Washington, DC 20201. Telephone: 202–401–5099; Email: Elaine.sorensen@acf.hhs.gov.

SUPPLEMENTARY INFORMATION: OCSE originally anticipated that there would be eight implementation sites in the CSPED demonstration and developed the Funding Opportunity Announcement for the evaluation of this demonstration accordingly. However, 8 grantees with 25 implementation sites were approved and awarded funding by OCSE to be part of CSPED under a separate funding announcement (HHS–2012–ACF–OCSE–FD–0297). This expansion of the number of implementation sites in CSPED has increased the costs of conducting the CSPED evaluation. Furthermore, random assignment was delayed in some sites and enrollment has been slower than expected in other sites. These delays have also increased the costs of the CSPED evaluation. Another

factor that has increased the costs of the evaluation is that OCSE is using the grants management information system developed for the grantees to monitor their enrollment and service delivery, which requires additional programming and customized reports. Finally, OCSE has asked for an internal memo describing preliminary impact findings which was not included in the FOA.

As a consequence of these unanticipated costs, the \$700,000 supplemental grant will be used for the following activities: (1) Conduct the day-to-day operation of the evaluation, including all costs involved in ensuring continued compliance with human subject research requirements; (2) conduct research and analyze information from the multiple implementation sites; (3) conduct the baseline and follow-up surveys; (4) maintain and provide evaluation-related technical assistance to OCSE and the grantees for the grants management information system; and (5) complete an internal memo describing interim impact findings.

Statutory Authority: Section 1115 of the Social Security Act authorizes funds for experimental, pilot, or demonstration projects that are likely to assist in promoting the objectives of Part D of Title IV.

Christopher Beach,

Senior Grants Policy Specialist, Office of Administration.

BILLING CODE 4184-42-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Community Living

Agency Information Collection Activities: Submission for OMB Review; Comment Request; Developmental Disabilities Protection and Advocacy Statement of Goals and Priorities

AGENCY: Administration for Community Living, HHS.

ACTION: Notice.

SUMMARY: The Administration on Intellectual and Developmental Disabilities (AIDD), Administration for Community Living (ACL) is announcing an opportunity to comment on the proposed collection of information by the agency. Under the Paperwork Reduction Act of 1995 (the PRA), Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, and to allow for public comment in response to the notice. This notice collects comments on the information collection requirements relating to an existing collection: Developmental Disabilities Protection and Advocacy Statement of Goals and Priorities (0985-0034).

DATES: Submit written comments on the collection of information by January 28, 2016.

ADDRESSES: Submit written comments on the collection of information by email to *OIRA_submission@omb.eop.gov* Attn: OMB Desk Officer for ACL.

FOR FURTHER INFORMATION CONTACT: Clare Barnett, Administration for Community Living, Administration on Intellectual and Developmental Disabilities, Office of Program Support, One Massachusetts Avenue NW., Room 4204, Washington, DC 20201, 202-357-3426.

SUPPLEMENTARY INFORMATION: Federal statute and regulation require each State Protection and Advocacy (P&A) System annually prepare for public comment a Statement of Goals and Priorities (SGP) for the P&A for Developmental Disabilities (PADD) program for each coming fiscal year. Following the required public input for the coming fiscal year, the P&A is required by Federal statute and regulation to submit the final version of the SGP to the Administration on Intellectual and Developmental Disabilities (AIDD). AIDD reviews the SGP for compliance and will aggregate the information in the SGPs into a national profile of programmatic emphasis for P&A Systems in the coming year to provide an overview of program direction, and permit AIDD to track accomplishments against goals and formulate areas of technical assistance and compliance with Federal requirements.

ACL estimates the burden of this collection of information as follows:

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
PADD SGP	57	1	16	912

Estimated Total Annual Burden Hours: 2,508

Dated: December 22, 2015.

Kathy Greenlee,

Administrator & Assistant Secretary for Aging.

Food and Drug Administration

[Docket No. FDA-2014-D-1318]

Electroconvulsive Therapy Devices for Class II Intended Uses: Draft Guidance for Industry, Clinicians, and FDA Staff; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the availability of the draft guidance entitled "Electroconvulsive Therapy

(ECT) Devices for Class II Intended Uses: Draft Guidance for Industry, Clinicians, and FDA Staff." The purpose of this guidance is to make recommendations for 510(k) submissions and complying with special controls being proposed to support reclassification of ECT Devices into Class II (special controls) for severe major depressive episode (MDE) associated with Major Depressive Disorder (MDD) or Bipolar Disorder (BPD) in patients 18 years of age and older who are treatment-resistant or who require a rapid response due to the severity of their psychiatric or medical condition. This draft guidance is not final nor is it in effect at this time.
