

submitted to the proposed prize competition will remain with the applicants and the award winners.

IV. Proposed Judges; Proposed Evaluation Criteria

The CDFI Fund expects that the judges for the proposed FY 2016 CDFI Prize Competition will include staff of the CDFI Fund, the Department of the Treasury, and other Federal government agencies, as well as certain members of the public who are qualified and experienced in community and economic development in rural areas. The experience of proposed judges will be reviewed to determine whether there are any conflicts of interest with applicants.

The CDFI Fund is considering whether application evaluation criteria will include, but not be limited to, the following:

A. The depth of need for investment capital and the lack of access to such capital within the Target Market;

B. The potential to leverage private, public, and philanthropic capital, including matching funds, if any, for the prize purse;

C. Alignment of the proposed capacity building plan with the expertise of the applicant;

D. If applicable, the complementarity of the proposed partnership(s) and the potential it holds for building scale and/or deepening the capacity of CDFIs;

E. The degree of innovation applied to resolving the problem; and

F. The proposed design of the evaluation and the likelihood that it has yielded or will yield meaningful insights into the effectiveness of the solution.

V. Questions for Public Comment: Through this RFI, the CDFI Fund invites comments and responses to the following questions regarding the above-described proposed FY 2016 CDFI Prize Competition:

A. Is the proposed topic of the proposed FY 2016 CDFI Prize Competition appropriate and clearly stated?

B. Has the CDFI Fund adequately described the goals, structure and submission requirements for the proposed FY 2016 CDFI Prize Competition?

C. Do you feel that the proposed FY 2016 CDFI Prize Competition will encourage innovative approaches, which might not surface otherwise, to build the capacity of CDFIs to invest in underserved rural areas, including those that are characterized by persistent poverty?

D. As proposed, would the prize(s) enable new partnerships to increase

access to capital in underserved rural areas?

E. Are the proposed prize amounts (approximately \$250,000 per award) appropriate? Are there other incentives, in addition to the proposed monetary prize, such as convening the winners to share best practices that might be valuable to include as part of the proposed prize competition?

F. Are the proposed application requirements sufficient in detail for the scope of the proposed prize?

G. Are the proposed proposal evaluation criteria appropriate and sufficient in detail for this prize?

H. Do you feel that the proposed timeline and milestones are appropriate?

I. Do you have any further suggestions on how to improve the topic, eligibility and submission requirements, and evaluation criteria for the proposed FY 2016 CDFI Prize Competition?

J. Please indicate if your organization has interest in competing in the proposed FY 2016 CDFI Prize Competition, if it is convened. If not, why not?
