This NOFA announces the availability of FY 2016 funds to provide 1-year funding assistance in FY 2017 under VA's Homeless Providers GPD Program for the 21 FY 2015 operational GPD Special need recipients and their

collaborative VA Special Need partners (as applicable). Eligible applicants may obtain grant assistance to cover operational costs that would not otherwise be incurred but for the fact that the recipient is providing supportive housing beds and services for the following special needs homeless Veteran populations:

- (1) Women;
- (2) Frail elderly;
- (3) Chronically mentally ill; or
- (4) Individuals who have care of minor dependents.

Definitions of key terms relating to these populations are contained in 38 CFR 61.1 Definitions. Eligible applicants should review these definitions to ensure their proposed populations meet the specific requirements. Note: There are currently no existing grant projects for the terminally ill special needs population; therefore, grant projects that would support that population are not eligible for funding under this NOFA, and that population is not addressed in this NOFA.

VA is pleased to issue this NOFA for the Homeless Providers GPD Program as a part of the effort to end homelessness among our Nation's Veterans. Funding applied for under this NOFA may be used for the provision of service and operational costs to facilitate the following for each targeted group:

- (2) Address safety and security issues including segregation from other program participants, if deemed appropriate.

Frail Elderly:

- (1) Ensure the safety of the residents in the facility to include preventing harm and exploitation;
- (2) Ensure opportunities to keep residents mentally and physically agile to the fullest extent through the incorporation of structured activities, physical activity, and plans for social engagement within the program and in the community;

(3) Provide opportunities for participants to address life transitional issues and separation and/or loss issues;

(4) Provide access to assistance devices such as walkers, grippers, or other devices necessary for optimal functioning;

(5) Ensure adequate supervision, including supervision of medication and monitoring of medication compliance; and

(6) Provide opportunities for participants either directly or through referral for other services particularly relevant for the frail elderly, including

services or programs addressing emotional, social, spiritual, and generative needs.

Chronically Mentally Ill:

- (1) Help participants join in and engage with the community;
- (2) Facilitate reintegration with the community and provide services that may optimize reintegration such as life-skills education, recreational activities, and follow up case management;
- (3) Ensure that participants have opportunities and services for re-establishing relationships with family;
- (4) Ensure adequate supervision, including supervision of medication and monitoring of medication compliance; and
- (5) Provide opportunities for participants, either directly or through referral, to obtain other services particularly relevant for a chronically mentally ill population, such as vocational development, benefits management, fiduciary or money management services, medication compliance, and medication education.

Individuals who have care of minor dependents:

- (1) Ensure transportation for individuals who have care of minor dependents, and their children, especially for health care and educational needs;
- (2) Provide directly or offer referrals for adequate and safe child care;
- (3) Ensure children's health care needs are met, especially age-appropriate wellness visits and immunizations; and
- (4) Address safety and security issues, including segregation from other program participants if deemed appropriate.

Authority: Funding applied for under this NOFA is authorized by 38 U.S.C. 2061. VA implements the Special Need Grant component of the VA Homeless Providers GPD Program 38 CFR part 61.

Award Information

Overview: This NOFA announces the availability of one year funding for use in FY 2017 for the 21 currently operational FY 2015 VA GPD Special Need Grant recipients and their collaborative VA Special Need partners (as applicable) to submit renewal applications for assistance under the Special Need Grant component of VA's Homeless Providers GPD Program.

Funding Priorities: None.

Allocation of Funds: Approximately \$4.1 million is available for the current special need grant component of VA's Homeless Providers GPD Program. Funding will be for a period beginning on October 1, 2016, and ending on September 30, 2017.

Special need payment will be the lesser of:

1. 100 percent of the daily cost of care estimated by the special need recipient for furnishing services to homeless Veterans with special need that the special need recipient certifies to be correct, minus any other sources of income; or
2. Two times the current VA State Home Program per diem rate for domiciliary care.

Special need awards are subject to: Funds availability; the recipient meeting the performance goals as stated in the grant application; statutory and regulatory requirements; and annual inspections.

Applicants should ensure their funding requests and operational costs are based on the 12-month award period above and should be approximately in line with prior year expenditures. Requests cannot exceed the amount obligated under the FY 2015 award. Applicants should note unexpended funding from FY 2015 will be de-obligated.

Based on GPD funding availability, approximately \$2.4 million is expected to be made available over the specified time (internally) for the current grantees and their collaborative VA Special Need partners (as applicable). The goal is, to the maximum extent possible, to ensure a continuation of special need services to homeless Veterans.

Funding Actions: Conditionally selected applicants may be asked to submit additional information under 38 CFR 61.15. Applicants will be notified of any further additional information needed to confirm or clarify information provided in the application.

Applicants will then be notified of the deadline to submit such information. If an applicant is unable to meet any conditions for grant award within the specified time frame, VA reserves the right to not award funds and to use the funds available for other special need applicants. Following receipt and confirmation that this information is accurate and in acceptable form, the applicant will execute an agreement with VA in accordance with 38 CFR 61.61.

Grant Award Period: Applicants that are selected will have a maximum award of one year beginning on October 1, 2016, and ending on September 30, 2017, to utilize the special need funding. Funds unexpended after the September 30, 2017, deadline will be de-obligated.

Funding Restrictions: Special need funding may not be used for capital improvements or to purchase vans or real property. However, the leasing of

vans or real property may be acceptable. Changes to the special need population the applicant currently serves will not be allowed.

Questions regarding acceptability should be directed to VA's National GPD Program Office at the number listed in the "For Further Information Contact" section of this NOFA. Applicants may not receive special need funding to replace funds provided by any Federal, State or local government agency or program to assist homeless persons.

Eligibility Information: In order to be eligible, an applicant must be a current operational FY 2015 VA GPD Special Need Grant Recipient in conjunction with their collaborative VA Special Need partner, or a currently operational VA GPD Special Need Grant Recipient that does not involve a collaborative effort to make application for assistance under the Special need Grant Component of VA's Homeless Providers GPD Program. *Applicants must serve the same special need population as in their previous grants.* Note: If the applicant currently has a collaborative project and its collaborative VA Special Need partner no longer wishes to continue, the applicant will be ineligible for an award under this NOFA.

Cost Sharing or Matching: None.

Application Requirements and Submission Information: Applicants should be careful to complete the proper application package. Submission of the incorrect or incomplete application package including the information required from the collaborative VA Special Need partner (if applicable) must be submitted as one package. Failure to do so will result in the application being rejected at threshold. The package will consist of two parts. The first part will be the standard forms required for grants to include all required forms and certifications and will be provided by VA on the GPD Web site. The second part will be provided by applicants completing the items as listed below (see Application Requirements). Applicants who are conditionally selected will be notified of any additional information needed to confirm or clarify information provided in the application. Applicants will then be notified of the deadline to submit such information. If an applicant is unable to meet any conditions for grant award within the specified time frame, VA reserves the right to not award funds and to use the funds available for other grant and per diem applicants.

Address To Obtain Standard Grant Forms for Application Package: Download the standard grant forms directly from VA's GPD Program Web

page at: <http://www.va.gov/HOMELESS/GPD.asp>. Questions should be referred to the VA GPD Program at (toll-free) 1 (877) 332-0334.

Applicants should note that all facilities are to be protected throughout by an approved automatic sprinkler system unless a facility is specifically exempted under the Life Safety Code. Applicants should make consideration of this when submitting their grant applications as no additional funds will be made available for capital improvements under this NOFA.

Each program seeking per diem will have a liaison appointed from a nearby VA medical facility to provide oversight and monitor services provided to homeless Veterans in the per diem-funded program.

Monitoring will include at a minimum a quarterly review of each per

diem program's progress toward meeting internal goals and objectives in helping Veterans attain housing stability, adequate income support, and self-sufficiency as identified in each per diem program's original application. Monitoring will also include a review of the agency's income and expenses as they relate to this project to ensure per diem payment is accurate.

Each per diem-funded program will participate in VA's national program monitoring and evaluation system. Monitoring procedures will be used to determine successful accomplishment of outcomes for each per diem-funded program.

Applicants with questions regarding the funding from previous special need awards should contact the VA Homeless Providers GPD Program Office prior to application.
