FEDERAL ELECTION COMMISSION

11 CFR Parts 4, 100, 104, 106, 109, 110, 113, 114, 9004, and 9034

Technical Amendments and Corrections

AGENCY: Federal Election Commission.

ACTION: Correcting amendments.

SUMMARY: The Commission is making technical corrections to various sections of its regulations.

DATES: Effective June 1, 2016.

FOR FURTHER INFORMATION CONTACT: Mr. Eugene Lynch, Paralegal, 999 E Street NW., Washington, DC 20463, (202) 694–1650 or (800) 424–9530.

SUPPLEMENTARY INFORMATION:

Background

The existing rules that are the subject of these corrections are part of the continuing series of regulations that the Commission has promulgated to implement the Presidential Election Campaign Fund Act, 26 U.S.C. 9001–13, and the Presidential Primary Matching Payment Account Act, 26 U.S.C. 9031–42 (collectively, the “Funding Acts”), and the Federal Election Campaign Act, 52 U.S.C. 30101–46 (“FECA”). The Commission is promulgating these corrections without advance notice or an opportunity for comment because they fall under the “good cause” exemption of the Administrative Procedure Act, 5 U.S.C. 553(b)(B). The Commission finds that notice and comment are unnecessary here because these corrections are merely typographical and technical; they effect no substantive changes to any rule. For the same reason, these corrections fall within the “good cause” exception to the delayed effective date provisions of the Administrative Procedure Act and the Congressional Review Act, 5 U.S.C. 553(d)(3), 808(2).

Moreover, because these corrections are exempt from the notice and comment procedure of the Administrative Procedure Act under 5 U.S.C. 553(b), the Commission is not required to conduct a regulatory flexibility analysis under 5 U.S.C. 603 or 604. *See* 5 U.S.C. 601(2), 604(a). Nor is the Commission required to submit these revisions for congressional review under FECA or the Funding Acts. *See* 52 U.S.C. 30111(d)(1), (4) (providing for congressional review when Commission “prescribe[s]” a “rule of law”); 26 U.S.C. 9009(c)(1), (4), 9039(c)(1), (4) (same). Accordingly, these corrections are effective upon publication in the **Federal Register**.

Corrections to FECA and Funding Act Rules in Chapter I of Title 11 of the Code of Federal Regulations

A. Correction to 11 CFR 4.8

The Commission is updating paragraph (a) of this section regarding when a person may appeal the Commission’s failure to respond to a document inspection or production request filed under the Freedom of Information Act (“FOIA”), 5 U.S.C. 552. Paragraph (a) currently provides that a person may appeal the Commission’s failure to respond if the person has received no response within ten working days after the Commission received the FOIA request. When originally promulgated, this ten-day time period accurately reflected the time the Commission had to respond to a FOIA request. *See* 5 U.S.C. 552(a)(6)(A)(i) (1979); Public Records and Freedom of Information Act, 44 FR 33368 (June 8, 1979) (promulgating section 4.7(c), giving Commission ten working days to respond to FOIA request, and section 4.8(a), allowing FOIA requestors who did not receive response within ten working days to file appeals). Subsequently, however, Congress amended FOIA to allow agencies 20 days in which to respond to FOIA requests, and the Commission revised its own response period in 11 CFR 4.7(c) accordingly. *See* Electronic Freedom of Information Act Amendments, 65 FR 9201 (Feb. 24, 2000). The Commission did not, however, make the necessary corresponding change to the regulation governing the time for filing an appeal. Accordingly, to conform the time period for appealing the Commission’s failure

to respond with the time that the Commission has to respond, the Commission is revising paragraph (a) by removing the word “ten” and replacing it with “twenty.”

B. Correction to 11 CFR 100.54

The Commission is correcting two erroneous citations in the introductory paragraph of this section. This paragraph erroneously refers to 11 CFR 100.74 and 100.75 in discussing the exemption of certain legal and accounting services from the definition of “contribution.” That exemption is set forth in sections 100.85 and 100.86, not in sections 100.74 and 100.75 (which address volunteer services and the use of a volunteer’s real or personal property). Accordingly, the Commission is removing the citations to 11 CFR 100.74 and 100.75 and replacing them with 11 CFR 100.85 and 100.86, respectively.

C. Corrections to 11 CFR 104.4

The Commission is amending paragraphs (b)(1) and (2) of this section to remove an ambiguity regarding the reporting requirements for political committees making independent expenditures in a calendar year. These paragraphs require political committees to report all independent expenditures aggregating less than \$10,000 (paragraph (b)(1)) or \$10,000 or more (paragraph (b)(2)) with respect to a given election made “at any time during the calendar year up to and including the 20th day before an election.” Some reporting entities have expressed uncertainty as to whether this language signifies that reporting is not required in a calendar year other than an election year. As the Commission noted in promulgating this section, the reporting requirement applies to independent expenditures made by a political committee “at any time” and “at any point in the campaign,” up to and including 20 days before an election. 52 U.S.C. 30104(g)(2); Bipartisan Campaign Reform Act of 2002 Reporting, 68 FR 404, 406 (Jan. 3, 2003). To clarify that a political committee must report independent expenditures aggregating less than \$10,000, or \$10,000 or more, with respect to a given election made in any calendar year, the Commission is amending portions of the text in paragraphs (b)(1) and (2).

D. Corrections to 11 CFR 104.18

The Commission is revising paragraphs (b) and (g) of this section to reflect the availability and use of internet-based forms to file reports electronically with the Commission. The Commission has made a number of these forms available for use by filers on its Web site, at www.fec.gov. Paragraph (b) provides that a political committee or other person not required to file reports electronically with the Commission may nonetheless choose to file reports in an electronic format that meets the requirements of this section, and a person who chooses to file reports electronically is generally required to continue to file electronically for the rest of that calendar year. The Commission is adding a reference to internet-based forms to paragraph (b), as an example of an electronic format that meets the requirements of this section.

Paragraph (g) requires the treasurer of a political committee and other persons responsible for filing reports with the Commission to verify the reports in specific ways. The Commission is revising paragraph (g) to clarify that a signed certification on a Commission internet form meets the verification requirement.

The Commission is also correcting a typographical error in paragraph (a)(3)(i)(A) of this section by replacing the phrase “nets debts” with the phrase “net debts.”

E. Correction to 11 CFR 106.6

The Commission is correcting an erroneous citation in paragraph (d)(1) of this section. Paragraph (d)(1) requires a political committee that collects both federal and nonfederal funds through a joint activity to allocate its direct costs of fundraising “as described in paragraph (a)(2) of this section” in a certain manner. Paragraph (a)(2) of this section, however, does not exist. Instead, the direct costs of fundraising are described in paragraph (b)(1) of this section. Thus, the Commission is replacing the reference to paragraph (a)(2) in paragraph (d)(1) with a reference to paragraph (b)(1).

F. Correction to 11 CFR 106.7

The Commission is correcting an erroneous citation in paragraph (d)(1)(ii) of this section. Paragraph (d)(1)(ii) requires state, district, and local party committees to use only federal funds to pay the salaries, wages, and fringe benefits of employees who spend more than 25% of their compensated time on federal election activities or activities in connection with a federal election, and cites to 11 CFR 300.33(d)(1). Paragraph

(d)(1) of § 300.33, however, concerns employees who spend 25% or less of their compensated time on federal election activities or activities in connection with a federal election. Paragraph (d)(2) of § 300.33, on the other hand, relates to the payment of employees spending more than 25% of their compensated time on such activities. Accordingly, the Commission is replacing the reference to 11 CFR 300.33(d)(1) in paragraph (d)(1)(ii) with 11 CFR 300.33(d)(2).

G. Correction to 11 CFR 109.10

The Commission is amending paragraph (c) of this section to remove an ambiguity regarding the reporting requirements for persons who are not political committees and make \$10,000 or more in independent expenditures in a calendar year. For the reasons explained above regarding the amendments to section 104.4, the Commission is amending portions of the text in paragraph (c).

H. Correction to 11 CFR 110.1

The Commission is correcting a typographical error in paragraph (b)(6) of this section. This Commission is replacing the reference to 11 CFR 110.1(1)(4) with a reference to 11 CFR 110.1(l)(4) (lowercase letter L).

I. Correction to 11 CFR 110.2

The Commission is correcting a typographical error in paragraph (b)(6) of this section. The Commission is replacing the reference to 11 CFR 110.1(1)(4) with a reference to 11 CFR 110.1(l)(4) (lowercase letter L).

J. Correction to 11 CFR 113.1

The Commission is correcting an erroneous citation in paragraph (g)(1)(i)(I) of this section. The last sentence of paragraph (g)(1)(i)(I) prohibits “[a] Federal officeholder, as defined in 11 CFR 100.5(f)(1),” from receiving salary payments from campaign funds as a candidate. Paragraph (f)(1) of § 100.5, however, defines “authorized committee,” not “Federal officeholder.” Paragraph (c) of § 113.1, on the other hand, defines “Federal officeholder.” As such, in the last sentence of paragraph (g)(1)(i)(I), the Commission is replacing “11 CFR 100.5(f)(1)” with “paragraph (c) of this section.”

K. Corrections to 11 CFR 114.2

The Commission is making a conforming change to the note to paragraph (b) of this section. In the note, the word “non-connected” appears twice. The Commission is replacing both references to “non-connected”

with “nonconnected” to conform the word to how it appears in the rest of 11 CFR chapter 1.

L. Corrections to 11 CFR 114.10

For the reasons noted above regarding the correction to § 114.2, the Commission is replacing both references to “non-connected” in the note to § 114.10(a) with “nonconnected.”

M. Correction to 11 CFR 9004.6

The Commission is correcting a typographical error in paragraph (c) of this section. The Commission is removing the misspelled word “Deduction” and replacing it with the word “Deduction.”

N. Correction to 11 CFR 9034.2

The Commission is correcting an erroneous citation in paragraph (c)(1)(iii) of this section. This paragraph addresses the reattribution of contributions among joint tenants of a checking account, and requires the documentation “described in 11 CFR 110.1(1), (3), (5), and (6)” to accompany the reattributed contribution. The citation to 11 CFR 110.1(1), (3), (5), and (6) is incorrect, however, because those paragraphs do not exist. Instead, the documentation requirements for reattributed contributions appear in paragraph (l) (lowercase letter L) of section 110.1. Accordingly, the Commission is replacing the reference to 11 CFR 110.1(1), (3), (5), and (6) in § 9034.2 with 11 CFR 110.1(l)(3), (5), and (6).

Airworthiness Directives; The Boeing Company Airplanes

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: We are superseding Airworthiness Directive (AD) 2005-18-18 for certain The Boeing Company Model 757 airplanes. AD 2005-18-18 required inspections of certain wire bundles in the left and right engine-to-wing aft fairings for discrepancies; installation of back-to-back p-clamps between the wire and hydraulic supply tube at the aft end of the right-hand strut only; and associated re-routing of the wire bundles, if necessary. This new AD also requires an installation of spiral cable wrap on fuel shutoff valve (FSV) wires at the aft end of the strut, for both left and right engines, and related investigative and corrective actions. This AD was prompted by a determination that the service information referenced in AD 2005-18-18 did not adequately address FSV wires at the aft end of the struts. We are issuing this AD to prevent chafing between the wire bundle and the structure of the aft fairing, which could result in electrical arcing and subsequent ignition of flammable vapors and a possible uncontrollable fire.

DATES: This AD is effective July 6, 2016. The Director of the Federal Register approved the incorporation by reference of certain publications listed in this AD as of July 6, 2016.

The Director of the Federal Register approved the incorporation by reference of certain other publications listed in this AD as of October 14, 2005 (70 FR 53554, September 9, 2005).

SUPPLEMENTARY INFORMATION:

Discussion

We issued a notice of proposed rulemaking (NPRM) to amend 14 CFR part 39 to supersede AD 2005-18-18, Amendment 39-14258 (70 FR 53554, September 9, 2005) (“AD 2005-18-18”). AD 2005-18-18 applied to certain The Boeing Company Model 757-200, -200PF, -200CB, and -300 series airplanes. The NPRM published in the **Federal Register** on March 27, 2015 (80 FR 16318) (“the NPRM”). The NPRM was prompted by a report that the service information referenced in AD 2005-18-18 did not adequately address FSV wires at the aft end of the strut, for both left and right engine struts. The NPRM proposed to continue to require inspections of certain wire bundles in the left and right engine-to-wing aft fairings for discrepancies; installation of back-to-back p-clamps between the wire and hydraulic supply tube at the aft end of the right-hand strut only; and associated re-routing of the wire bundles, if necessary. The NPRM also proposed to require installation of tetrafluoroethylene spiral cable wrap on the FSV wires at the aft end of the strut that would provide additional wiring protection. We are issuing this AD to prevent chafing between the wire bundle and the structure of the aft
