AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), announce the availability of the final environmental impact statement (EIS) and final habitat conservation plan (HCP) for Na Pua Makani Power Partners, LLC's (applicant) Na Pua Makani Wind Energy Project (Project). The applicant is requesting an incidental take permit (ITP) to authorize take of one threatened and six endangered species (covered species) listed under the Endangered Species Act of 1973, as amended (ESA). If issued, the ITP would authorize incidental take of the covered species that may occur as a result of the construction and operation of the Project over a 21-year period. The HCP describes the applicant's actions and measures to minimize, mitigate, and monitor incidental take of the covered species. The final EIS has been prepared in response to the permit application in accordance with requirements of the National Environmental Policy Act (NEPA).

DATES: The Service's decision on issuance of an ITP will occur no sooner than 30 days after the publication of the U.S. Environmental Protection Agency's notice of the final EIS in the **Federal Register** and will be documented in a Record of Decision (ROD).

ADDRESSES: You may obtain copies of the final EIS and final HCP by one of the following methods.

- *Internet:* Documents may be viewed and downloaded on the Internet at *http://www.fws.gov/pacificislands/.*

The final HCP describes the applicant's actions and the measures the applicant will implement to minimize, mitigate, and monitor incidental take of the covered species. Additionally, the Project would be partially located on State of Hawaii lands, triggering environmental review under the Hawaii Environmental Policy Act (HEPA) (Chapter 343 of the Hawaii Revised Statutes (HRS)).

Background

The applicant proposes to construct and operate the wind energy generation Project on approximately 707 acres of public and private lands near the town of Kahuku on the island of Oahu, Hawaii.
