GENERAL SERVICES ADMINISTRATION

[Notice–MG–2016–03; Docket No. 2016–0002; Sequence 16]

Office of Federal High-Performance Green Buildings; Green Building Advisory Committee; Request for Membership Nominations

AGENCY: Office of Federal High-Performance Green Buildings, General Services Administration (GSA).

ACTION: Notice of solicitation of nominations for membership.

SUMMARY: The Administrator of the GSA established the Green Building Advisory Committee on June 20, 2011 (76 FR 118) pursuant to Section 494 of the Energy Independence and Security Act of 2007 (42 U.S.C. 17123, or EISA), in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App. 2). As the two-year commitments of some members of the Committee are expiring, this notice solicits additional qualified candidates for membership.

DATES: *Effective:* July 20, 2016.

FOR FURTHER INFORMATION CONTACT: Mr. Ken Sandler, Office of Federal High Performance Green Buildings, GSA, 202–219–1121.

SUPPLEMENTARY INFORMATION:

Background

The Green Building Advisory Committee (hereafter, “the Committee”) provides advice to GSA as a mandatory Federal advisory committee, as specified in EISA and in accordance with the provisions of FACA. Under this authority, the Committee advises GSA on how the Office of Federal High-Performance Green Buildings can most effectively accomplish its mission. Extensive information about the

Committee, including current members, is available on GSA’s Web site at <http://www.gsa.gov/gbac>.

Membership requirements: The EISA statute authorizes the Committee and identifies the categories of members to be included. EISA names 10 Federal agencies and offices to be represented on the Committee, and GSA works directly with these agencies to identify their qualified representatives. This notice is focused exclusively on non-Federal members. EISA provides that, in addition to its required Federal members, the Committee shall include “other relevant agencies and entities, as determined by the Federal Director.” These are to include at least one representative of each of the following categories:

“(i) State and local governmental green building programs;

(ii) Independent green building associations or councils;

(iii) Building experts, including architects, material suppliers, and construction contractors;

(iv) Security advisors focusing on national security needs, natural disasters, and other dire emergency situations;

(v) Public transportation industry experts; and

(vi) Environmental health experts, including those with experience in children’s health.”

EISA further specifies: “the total number of non-Federal members on the Committee at any time shall not exceed 15.”

Member responsibilities: Approved Committee members will be appointed to terms of either 2 or 4 years with the possibility of membership renewals as appropriate. Membership is limited to the specific individuals appointed and is non-transferrable. Members are expected to attend all meetings in person, review all Committee materials, and actively provide their advice and input on topics covered by the Committee. Committee members will not receive compensation or travel reimbursements from the Government except where need has been demonstrated and funds are available.

Solicitation for members: This notice provides an opportunity for individuals to present their qualifications and apply for an open seat on the Committee. GSA will ask Committee members whose terms are expiring to re-apply if they are interested in continuing to serve on the Committee. GSA will review all applications and determine which candidates are likely to add the most value to the Committee based on the criteria outlined in this notice.

At a minimum, prospective members must have:

- At least 5 years of high-performance green building experience, which may include a combination of project-based, research and policy experience.
- Academic degrees, certifications and/or training demonstrating green building and related sustainability and real estate expertise.
- Knowledge of Federal sustainability and energy laws and programs.
- Proven ability to work effectively in a collaborative, multi-disciplinary environment and add value to the work of a committee.
- Qualifications appropriate to specific statutory requirements (listed above).

No person who is a Federally-registered lobbyist may serve on the Committee, in accordance with the Presidential Memorandum “Lobbyists on Agency Boards and Commissions” (June 18, 2010).

Nomination process for Advisory Committee appointment: There is no prescribed format for the nomination. Individuals may nominate themselves or others. A nomination package shall include the following information for each nominee: (1) A letter of nomination stating the name and organizational affiliation(s) of the nominee, membership capacity he/she will serve (see statutory categories above), nominee’s field(s) of expertise, and description of interest and qualifications; (2) A professional resume or CV; and (3) Complete contact information including name, return address, email address, and daytime telephone number of the nominee and nominator. GSA will consider nominations of all qualified individuals to ensure that the Committee includes the areas of green building subject matter expertise needed. GSA reserves the right to choose Committee members based on qualifications, experience, Committee balance, statutory requirements and all other factors deemed critical to the success of the Committee. Candidates may be asked to provide detailed financial information to permit evaluation of potential conflicts of interest that could impede their work on the Committee, in accordance with the requirements of FACA. All nominations must be submitted in sufficient time to be received by 5 p.m., Eastern Daylight Time (EDT), on Monday, August 1, 2016, and be addressed to ken.sandler@gsa.gov.

Dated: July 15, 2016.

Kevin Kampschroer,
Federal Director, Office of Federal High-Performance Green Buildings, Office of Government-wide Policy.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: 45 CFR 303.7—Provision of Services in Intergovernmental IV–D; Federally Approved Forms.

OMB No.: 0970–0085.

Description: The Intergovernmental forms were initially approved by OMB in 1988; 45 CFR 303.7 requires child support programs to use the OMB federally-approved forms in intergovernmental IV–D cases unless a country has provided alternative forms as a part of its chapter in a Caseworker’s Guide to Processing Cases with Foreign Reciprocating Countries. Additionally, Public Law (Pub. L.) 113–183, the *Preventing Sex Trafficking and Strengthening Families Act* of 2014 amended the Social Security Act to require U.S. states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands to enact any amendments to UIFSA “officially adopted as of September 30, 2008 by the

National Conference of Commissioners on Uniform State Laws” (UIFSA 2008). Section 311(b) of UIFSA 2008 requires the States and jurisdictions to use forms mandated by Federal law.

The current intergovernmental forms will expire in February 2017. The revised forms included in this submission to OMB incorporate many of the revisions requested by commenters during the 60-day comment period, which started August 4, 2015 (**Federal Register**, Volume 80, Number 149, page 46286).

Respondents: State, local, or Tribal agencies administering a child support enforcement program under title IV–D of the Social Security Act.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

National Practitioner Data Bank: Change in User Fees

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: The Health Resources and Services Administration, Department of Health and Human Services, is

announcing a decrease in user fees charged to individuals and entities authorized to request information from the National Practitioner Data Bank (NPDB). The new fee will be \$2.00 for both continuous and one-time queries and \$4.00 for self-queries. The reduction in NPDB user fees is intended to encourage new users while ensuring sufficient funds to the full cost of NPDB operations and retain appropriate cash reserves. The goals of the cash reserves are to mitigate risks, cover operational costs should revenue decrease, and cover the cost of reasonable enhancement and maintenance of the NPDB management system.

HRSA has the standard operating procedure of reviewing NPDB user fees every 2 years. The biennial review of NPDB user fees offers HRSA the opportunity to evaluate its reserves as well as revenue relative to costs. Further, the review provides essential information on whether the fee rates and authorized activities are aligned with actual program costs and activities,
