Workers' Compensation Act (33 U.S.C. 901 *et seq.*) were exempt from coverage by the Tennessee State Plan (T.C.A. § 50–3–104(6) (2014)). That included workers who were engaged in marine construction. However, Tennessee subsequently removed this prohibition from the statute (2015 Tenn. Pub. Acts, c. 23, § 1). Now, TOSHA is requesting that its coverage be modified to include coverage over marine construction. TOSHA has in place standards for construction (TN ADC 0800–01–06-.02 adopts OSHA's construction standards in 29 CFR 1926 with minor exceptions not relevant here), including for marine operations and equipment (29 CFR 1926.605). OSHA is transferring coverage over marine construction to the Tennessee State Plan. Accordingly, notice is hereby given of the change in State Plan authority over marine construction, and coverage is transferred to the Tennessee State Plan.
