RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

Summary: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Supplement to Claim of Person Outside the United States; OMB 3220–0155.

Under the Social Security Amendments of 1983 (Pub. L. 98–21), which amends Section 202(t) of the Social Security Act, effective January 1, 1985, the Tier I or the overall minimum (O/M) portion of an annuity, and Medicare benefits payable under the Railroad Retirement Act to certain beneficiaries living outside the U.S., may be withheld. The benefit withholding provision of Public Law 98–21 applies to divorced spouses, spouses, minor or disabled children, students, and survivors of railroad employees who (1) initially became eligible for Tier I amounts, O/M shares, and Medicare benefits after December 31, 1984; (2) are not U.S. citizens or U.S. nationals; and (3) have resided outside the U.S. for more than six consecutive months starting with the annuity beginning date. The benefit withholding provision does not apply, however to a beneficiary who is exempt under either a treaty obligation of the U.S., in effect on August 1, 1956, or a totalization agreement between the U.S. and the country in which the beneficiary resides, or to an individual who is exempt under other criteria specified in Public Law 98–21.

RRB Form G–45, *Supplement to Claim of Person Outside the United States,* is currently used by the RRB to determine applicability of the withholding provision of Public Law 98–21. Completion of the form is required to obtain or retain a benefit. One response is requested of each respondent. The RRB proposes no changes to Form G–45.

Data Portability

ACTION: Request for information.

SUMMARY: Many modern service providers give people access to their own data in machine readable format to download and use as they see fit. Proponents of increased data portability point to numerous, significant benefits for users, service providers, and the broader public. For users, perhaps the most important benefits are the ability to create backups of their most important data, like photographs, tax returns, and other financial information while reducing the danger of becoming locked-in to a single service provider, especially in a world where service providers may change business models or discontinue products.
