C. Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

ICE Clear Europe published a prior version of the proposed amendments for consultation with its Clearing Members. In response to that consultation, two Clearing Members inquired about the regulatory process surrounding the proposed changes. In addition, one Clearing Member suggested that certain additional clarifications be made to limit the application of other aspects of the Insolvency definition. In the context of the current version of the proposed amendments, which has been revised from the original consultation, ICE Clear Europe does not believe that such additional clarifications are necessary or appropriate, and has determined not to make any such clarifications. ICE Clear Europe will notify the Commission of any written comments with respect to the proposed rule change received by ICE Clear Europe.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve or disapprove the proposed rule change or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.
