

establish fees that are competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed fees in the MIAX PEARL Fee Schedule appropriately reflect this competitive environment.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

MIAX PEARL does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Unilateral action by MIAX PEARL in establishing rebates and fees for services provided to its Members and others using its facilities will not have an impact on competition. As a new entrant in the already highly competitive environment for equity options trading, MIAX PEARL does not have the market power necessary to set prices for services that are unreasonable or unfairly discriminatory in violation of the Act. MIAX PEARL's proposed rebates and fees, as described herein, are comparable to rebates and fees charged by other options exchanges for the same or similar services, including those rebates and fees assessed by its affiliate, MIAX Options.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received.
