## Extension:

Schedule TO; SEC File No. 270–456, OMB Control No. 3235–0515.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget the request for extension of the previously approved collection of information discussed below.

Schedule TO (17 CFR 240.14d–100) must be filed by a reporting company that makes a tender offer for its own securities. Also, persons other than the reporting company making a tender offer for equity securities registered under Section 12 of the Exchange Act (15 U.S.C. 78l) (which offer, if consummated, would cause that person to own over 5% of that class of the securities) must file a Schedule TO. The purpose of Schedule TO is to improve communications between public companies and investors before companies file registration statements involving tender offer statements. This information is made available to the public. The information provided on Schedule TO is mandatory. Schedule TO takes approximately 43.5 hours per response and is filed by approximately 1,378 issuers annually. We estimate that 50% of the 43.5 hours per response (21.75 hours) is prepared by the issuer for an annual reporting burden of 29,972 hours (21.75 hours per response × 1,378 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

## Extension:

Rule 482; SEC File No. 270–508, OMB Control No. 3235–0565

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“Paperwork Reduction Act”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

Like most issuers of securities, when an investment company (“fund”)<sup>1</sup> offers its shares to the public, its promotional efforts become subject to the advertising restrictions of the Securities Act of 1933 (15 U.S.C. 77) (the “Securities Act”). In recognition of the particular problems faced by funds that continually offer securities and wish to advertise their securities, the Commission has previously adopted advertising safe harbor rules. The most important of these is rule 482 (17 CFR 230.482) under the Securities Act, which, under certain circumstances, permits funds to advertise investment performance data,

<sup>1</sup> “Investment company” refers to both investment companies registered under the Investment Company Act of 1940 (“Investment Company Act”) (15 U.S.C. 80a–1 *et seq.*) and business development companies.
