[Docket ID FEMA-2018-0002]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.
ACTION: Notice.

SUMMARY: New or modified Base (1-percent annual chance) Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, and/or regulatory floodways (hereinafter referred to as flood hazard determinations) as shown on the indicated Letter of Map Revision (LOMR) for each of the communities listed in the table below are finalized. Each LOMR revises the Flood Insurance Rate Maps (FIRMs), and in some cases the Flood Insurance Study (FIS) reports, currently in effect for the listed communities. The flood hazard determinations modified by each LOMR will be used to calculate flood insurance premium rates for new buildings and their contents.

DATES: Each LOMR was finalized as in the table below.

ADDRESSES: Each LOMR is available for inspection at both the respective Community Map Repository address

listed in the table below and online through the FEMA Map Service Center at <https://msc.fema.gov>.

FOR FURTHER INFORMATION CONTACT: Rick Sacibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacibit@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) makes the final flood hazard determinations as shown in the LOMRs for each community listed in the table below. Notice of these modified flood hazard determinations has been published in newspapers of local circulation and 90 days have elapsed since that publication. The Deputy Associate Administrator for Insurance and Mitigation has resolved any appeals resulting from this notification.

The modified flood hazard determinations are made pursuant to section 206 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The new or modified flood hazard information is the basis for the floodplain management measures that the community is required either to

adopt or to show evidence of being already in effect in order to remain qualified for participation in the National Flood Insurance Program (NFIP).

This new or modified flood hazard information, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities.

This new or modified flood hazard determinations are used to meet the floodplain management requirements of the NFIP and also are used to calculate the appropriate flood insurance premium rates for new buildings, and for the contents in those buildings. The changes in flood hazard determinations are in accordance with 44 CFR 65.4.

Interested lessees and owners of real property are encouraged to review the final flood hazard information available at the address cited below for each community or online through the FEMA Map Service Center at <https://msc.fema.gov>.

National Flood Insurance Program (NFIP); Assistance to Private Sector Property Insurers, Notice of FY 2019 Arrangement

AGENCY: Federal Emergency Management Agency, DHS.
ACTION: Notice.

SUMMARY: The Federal Emergency Management Agency announces the Fiscal Year 2019 Financial Assistance/ Subsidy Arrangement for private property insurers interested in participating in the National Flood Insurance Program’s Write Your Own Program.

DATES: Interested insurers must submit intent to subscribe or re-subscribe to the Arrangement by June 14, 2018.

FOR FURTHER INFORMATION CONTACT: Kelly Bronowicz, Federal Insurance and Mitigation Administration, FEMA, 400 C St. SW, Washington, DC 20472; (202) 557-9488 (phone), or *Kelly.Bronowicz@fema.dhs.gov* (email).

SUPPLEMENTARY INFORMATION:

I. Background

The National Flood Insurance Act of 1968 (NFIA), as amended (42 U.S.C. 4001 *et seq.*), authorizes the Administrator of the Federal Emergency Management Agency (FEMA) to establish and carry out a National Flood Insurance Program (NFIP) to enable interested persons to purchase insurance against loss resulting from physical damage to or loss of real or personal property arising from flood in the United States. *See* 42 U.S.C. 4011(a). Under the NFIA, FEMA has the authority to undertake arrangements to carry out the NFIP through the facilities of the Federal Government, utilizing, for the purposes of providing flood insurance coverage, insurance companies and other insurers, insurance agents and brokers, and insurance adjustment organizations, as fiscal agents of the United States. *See* 42

U.S.C. 4071. To this end, FEMA may “enter into any contracts, agreements, or other arrangements” with private insurance companies to utilize their facilities and services in administering the NFIP, and on such terms and conditions as may be agreed upon. *See* 42 U.S.C. 4081(a).

Pursuant to this authority, FEMA enters into a standard Financial Assistance/Subsidy Arrangement (Arrangement) with private sector property insurers, also known as Write Your Own (WYO) companies, to sell NFIP flood insurance policies under their own names and adjust and pay claims arising under the Standard Flood Insurance Policy (SFIP). Each Arrangement entered into by a WYO company must be in the form and substance of the standard Arrangement, a copy of which is published in the **Federal Register** annually, at least 6 months prior to becoming effective. *See* 44 CFR 62.23(a).
