decision in *Garmin International, Inc. v.

settlement agreement. Public and  
confidential versions of the parties'  
settlement agreement are attached to the  
motion. The joint motion states that the  
settlement agreement resolves the  
dispute between Navico and Garmin in  
the enforcement proceeding and that  
"[t]here are no other agreements, written  
or oral, express or implied, between  
Navico and Garmin regarding the  
subject matter of this proceeding." The  
motion also states that "there no longer  
exists a basis upon which to continue  
this enforcement proceeding," that  
"termination of this proceeding  
pursuant to the [agreement poses no  
threat to the public interest," and that  
"it is in the interest of the public and  
administrative economy to grant this  
motion." The joint motion also  
requested that the Commission act on  
Garmin's unopposed motion to rescind  
the remedial orders. On February 26,  
2018, OUII filed a response, supporting  
the joint motion to terminate the  
enforcement proceeding and request to

Rules of Practice and Procedure (19 CFR  
210.21(b)(1)) and that there are no  
extraordinary circumstances to prevent  
the requested termination. The  
Commission also finds that termination

terminated.The Commission has also determined  
to rescind the modified limited  
exclusion order and cease and desist  
orders.The authority for the Commission's
