0422). Each quarter the QSS sample is updated to reflect the addition of new businesses and the removal of firms that have gone out-of-business.

The Bureau of Economic Analysis uses the survey results as input to its quarterly Gross Domestic Product (GDP) and GDP by industry estimates. The estimates provide the Federal Reserve Board, Council of Economic Advisers, and other government and private policymakers with timely information to assess current economic conditions. The Centers for Medicare and Medicaid Services use the QSS estimates to develop hospital-spending estimates for the National Accounts. Other government and private stakeholders also benefit from a better understanding of important cyclical components of the U.S. service economy.
