ADDRESSES: The public meeting will be held in Room N–3437 A–B, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, DC 20210.

Written Comments: Submit written comments to the OSHA Docket Office, Docket No. OSHA–2018–0005, Room N–3653, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210; telephone (202) 693–2350. You may submit materials, including attachments, electronically at *http://www.regulations.gov* which is the Federal eRulemaking Portal. Follow the on-line instructions for submissions. All comments should be identified with Docket No. OSHA–2018–0005.

Registration To Attend and/or To Participate in the Meeting: If you wish to attend the public meeting, make an oral presentation at the meeting, or participate in the meeting via telephone, you must register using this link *https://www.eventbrite.com/e/occupational-safety-and-health-administration-stakeholder-meeting-registration-45311347460* by close of business on May 29, 2018. Participants may speak and pass out written materials, but there will not be an opportunity to give an electronic presentation. Actual times provided for presentation will depend on the number of requests, but no more than 10 minutes per participant. There is no fee to register for the public meeting. Registration on the day of the public meeting will be permitted on a space-available basis beginning at 12 p.m. ET. After reviewing the presentation requests, participants will be contacted prior to the meeting with an approximate time the participants' presentation is scheduled to begin.

FOR FURTHER INFORMATION CONTACT:

For press inquiries: Mr. Frank Meilinger, Director, OSHA Office of Communications, U.S. Department of Labor; telephone (202) 693–1999; email *meilinger.francis2@dol.gov.*

For general information: Mr. Anthony Rosa, Deputy Director, OSHA Directorate of Whistleblower Protection Programs, U.S. Department of Labor; telephone (202) 693–2199; email *osha.dwpp@dol.gov.*

SUPPLEMENTARY INFORMATION:

Scope of Meeting

OSHA is interested in obtaining information from the public on key issues facing the agency's whistleblower program. This meeting will be the first in a series of meetings requesting public input on this program. For this meeting, OSHA is focusing on issues relating to whistleblower protection in the railroad and trucking industries. In particular, the agency invites input on the following:

1. How can OSHA deliver better whistleblower customer service?

2. What kind of assistance can OSHA provide to help explain the whistleblower laws it enforces?

Request for Comments

Regardless of attendance at the public meeting, interested persons may submit written or electronic comments (see **ADDRESSES**). Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Please indicate which industry (railroad or trucking) your comments are intended to address. To permit time for interested persons to submit data, information, or views on the issues in the ''Scope of Meeting'' section of this notice, submit comments by June 5, 2018. Please include Docket No. OSHA–2018–0005. Comments received may be seen in the U.S. Department of Labor, OSHA Docket Office, (see **ADDRESSES**), between 10:00 a.m. and 3:00 p.m. ET, Monday through Friday.

Access to the Public Record

Electronic copies of this **Federal Register** notice are available at *http://www.regulations.gov.* This notice, as well as news releases and other relevant information, also are available on the Directorate of Whistleblower Protection Programs' web page at: *http://www.whistleblowers.gov.*

Authority and Signature

Loren Sweatt, Deputy Assistant Secretary for Occupational Safety and Health, authorized the preparation of this notice under the authority granted by Secretary's Order 01–2012 (Jan. 18, 2012), 77 FR 3912 (Jan. 25, 2012); 29 U.S.C. 660(c); 49 U.S.C. 31105; 49 U.S.C. 20109, and 6 U.S.C. 1142.

Signed at Washington, DC on April 30, 2018.

Loren Sweatt,

Deputy Assistant Secretary of Labor for Occupational Safety and Health.

BILLING CODE 4510–26–P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice (18–039)]

National Environmental Policy Act; Wallops Flight Facility; Site-Wide

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of availability of the Draft Site-wide Programmatic Environmental Impact Statement (PEIS) for improvement of infrastructure and services at Wallops Flight Facility (WFF), Accomack County, Virginia.

SUMMARY: Pursuant to the National Environmental Policy Act (NEPA), as amended, the Council on Environmental Quality Regulations for Implementing the Procedural Provisions of NEPA, and NASA's NEPA policy and procedures, NASA has prepared a Draft PEIS for the improvement of infrastructure and services at WFF. The Federal Aviation Administration's Air Traffic Organization (FAA–ATO) and Office of Commercial Space Transportation (FAA–AST); the Federal Highway Administration (FHWA); the National Oceanic and Atmospheric Administration's National Environmental Satellite, Data, and Information Service (NOAA–NESDIS); the U.S. Army Corps of Engineers (USACE); the U.S. Coast Guard; the U.S. Fish and Wildlife Service (USFWS); the U.S. Navy, Naval Sea Systems Command (NAVSEA); the U.S. Navy, Naval Air Systems Command (NAVAIR); U.S. Navy, U.S. Fleet Forces Command; the U.S. Environmental Protection Agency (EPA); the U.S. Air Force Space Command/Space and Missile Systems Center; and Virginia Commercial Space Flight Authority (Virginia Space) have served as Cooperating Agencies in preparing the Draft PEIS as they either have permanent facilities or missions at WFF or possess regulatory authority or specialized expertise pertaining to the Proposed Action.

The purpose of this notice is to apprise interested agencies, organizations, tribal governments, and individuals of the availability of the Draft PEIS and to invite comments on the document. In partnership with its Cooperating Agencies, NASA will hold a public meeting as part of the Draft PEIS review process. The meeting location and date is provided under **SUPPLEMENTARY INFORMATION** below.

DATES: Interested parties are invited to submit comments on environmental issues and concerns, preferably in writing, no later than forty-five (45) days following the publication of the EPA's Notice of Availability of the Draft PEIS in the **Federal Register**. Once known, this date will be posted on the project website at: *https://code200-external.gsfc.nasa.gov/250-wff/site-wide_eis.*

ADDRESSES: Comments submitted by mail should be addressed to Shari Miller, Site-wide PEIS, NASA Goddard Space Flight Center's Wallops Flight Facility, Mailstop: 250.W, Wallops Island, Virginia 23337. Comments may

be submitted via email to *Shari.A.Miller@nasa.gov.*

The Draft PEIS may be reviewed at the following locations:

(a) Chincoteague Island Library, Chincoteague, Virginia, 23336 (757) 336–3460

(b) NASA Wallops Visitor Center, Wallops Island, Virginia, 23337 (757) 824–1344

(c) Eastern Shore Public Library, Accomac, Virginia, 23301 (757) 787–3400

(d) Northampton Free Library, Nassawadox, Virginia, 23413 (757) 414–0010

A limited number of hard copies of the Draft PEIS are available, on a first request basis, by contacting the NASA point of contact listed under **FOR FURTHER INFORMATION CONTACT**. The Draft PEIS is available on the internet in Adobe® portable document format at *https://code200-external.gsfc.nasa.gov/250-wff/site-wide_eis.* The **Federal Register** Notice of Intent to prepare the Draft PEIS, issued on July 11, 2011, is also available on the internet at the same website address.

FOR FURTHER INFORMATION CONTACT: Shari Miller, Site-wide PEIS, NASA Goddard Space Flight Center's Wallops Flight Facility, Mailstop: 250.W, Wallops Island, Virginia 23337; telephone (757) 824–2327; email: *Shari.A.Miller@nasa.gov.* A toll-free telephone number, (800) 521–3415, is also available for persons outside the local calling area. When using the toll-free number, please follow the menu options and enter the ''pound sign (#)'' followed by extension number ''2327.'' Additional information about NASA's WFF may be found on the internet at *http://www.nasa.gov/centers/wallops/home/index.html.* Information regarding the NEPA process for this proposal and supporting documents (as available) are located at *https://code200-external.gsfc.nasa.gov/250-wff/site-wide_eis.*

SUPPLEMENTARY INFORMATION: WFF is a NASA Goddard Space Flight Center field installation located in northern Accomack County on the Eastern Shore of Virginia. The facility consists of three distinct landmasses—the Main Base, Wallops Mainland, and Wallops Island. WFF operates the oldest active launch range in the continental U.S. and the only range completely under NASA management. For over 70 years, WFF has flown thousands of research vehicles in the quest for information on the characteristics of airplanes, rockets, and spacecraft, and to increase the knowledge of the Earth's upper atmosphere and the near space environment. The flight programs and projects conducted by WFF range from small sounding and suborbital rockets, unmanned scientific balloons, unmanned aerial systems, manned aircraft, and orbital spacecraft to next-generation launch vehicles and small- and medium-classed launch vehicles. In keeping with the principles, goals, and guidelines of the 2010 National Space Policy, as updated by the 2013 U.S. National Space Transportation Policy and the 2017 Presidential Memorandum on Reinvigorating America's Human Space Exploration Program, NASA is proposing to improve its service capability at WFF to support a growing mission base in the areas of civil, defense, and academic aerospace. One guiding principle of the National Space Policy is for Federal agencies to facilitate the commercial space industry. The Mid-Atlantic Regional Spaceport, a commercial launch site on Wallops Island, is a real-world example of WFF's commitment to making commercial access to space a reality. Accordingly, it is expected that a commercial presence at WFF will continue to expand in the coming years.

The National Space Policy also instructs Federal agencies to improve their partnerships through cooperation, collaboration, information sharing, and/or alignment of common pursuits with each other. WFF supports aeronautical research, and science, technology, engineering, and math (STEM) education programs by providing other NASA centers and other U.S. government agencies access to resources such as special use (*i.e.,* controlled/restricted) airspace, runways, and launch pads. WFF regularly facilitates a wide array of U.S. Department of Defense (DoD) research, development, testing, and evaluation; training missions, including target and missile launches; and aircraft pilot training. Similar to its forecasted commercial growth at WFF, NASA also expects an increase in DoD presence at WFF in the foreseeable future.

Finally, the National Space Policy directs NASA to fulfill various key civil space roles regarding space science, exploration, and discovery; a number of which have been priorities at WFF for decades. NASA's need to ensure continued growth while preserving the ability to safely conduct its historical baseline of services is a key component of facilitating future projects and new missions at WFF.

Related Environmental Documents

In January 2005, NASA issued a Final Site-Wide Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) for its operations and institutional support at WFF. Since then, substantial growth has occurred and NASA, and its Cooperating Agencies, have prepared multiple supplemental NEPA documents including the 2008 EA/FONSI for the Wallops Research Park; the 2009 EA/FONSI for the Expansion of the Wallops Flight Facility Launch Range; the 2010 PEIS/Record of Decision for the Shoreline Restoration and Infrastructure Protection Program; the 2011 EA/FONSI for the Alternative Energy Project; the 2011 EA/FONSI for the Main Entrance Reconfiguration; the 2011 NOAA–NESDIS EA/FONSI for Electrical and Operational Upgrade, Space Addition, and Geostationary Operational Environmental Satellite Installation; the 2012 EA/FONSI for the North Wallops Island Unmanned Aerial Systems Airstrip Project; the U.S. Fleet Force Command's 2013 EA/FONSI for E–2/C–2 Field Carrier Landing Practice at WFF; the Navy's 2014 EA/FONSI for the Testing of Hypervelocity Projectiles and an Electromagnetic Railgun; the 2015 Supplemental EA/FONSI for Antares 200 Configuration Expendable Launch Vehicle at WFF; the 2016 EA/FONSI for Establishment of Restricted Area Airspace R–6604 C/D/E; the Navy's 2017 EA/FONSI for and the Installation and Operation of Air and Missile Defense Radar AN/SPY-6; and the 2017 U.S. Air Force's EA/FONSI for the Instrumentation Tower on Wallops Island.

Need for Preparing a PEIS

Since the 2005 WFF Site-wide EA, WFF, NOAA–NESDIS, and the Navy have updated their Master Plans; which propose new facilities and numerous infrastructure improvements to enable a growing mission base. Additionally, during reviews of the post-2005 Site-wide EA NEPA documents, resource agencies have expressed concerns regarding cumulative environmental effects and a desire for NASA to consider all reasonably foreseeable future projects at WFF in a consolidated NEPA document. NASA determined that preparing a single Site-wide PEIS not only would assist in its decision-making process for future mission growth at WFF but also address concerns regarding cumulative environmental effects. Therefore, the Site-wide PEIS considers all reasonably foreseeable future actions at WFF; those proposed by NASA along with those proposed by its tenants and partners.

Cooperating Agency Actions

The Site-wide PEIS will serve as a decision-making tool not only for NASA

but also for its Cooperating Agencies. Given the potential for their undertaking actions related to NASA's actions, each of these agencies has been involved closely in NASA's NEPA process.

Alternatives

The PEIS evaluates the environmental consequences of a range of reasonable alternatives that meet NASA's need to ensure continued growth at WFF while also preserving the ability to safely conduct its historical baseline of services. The planning horizon for actions in the PEIS is 20 years.

Currently under consideration are the Proposed Action and a No Action alternative. The Proposed Action would support a number of facility projects ranging from new construction, demolition, and renovation; the replacement of the Wallops causeway bridge; maintenance dredging between the boat docks at the Main Base and Wallops Island; development of a deep-water port and operations area on North Wallops Island; construction and operation of an additional medium to heavy class launch site; the introduction of new NASA and DoD programs at WFF; the expansion of the launch vehicle services with liquid-fueled intermediate class and solid fueled heavy class launch vehicles; and the consideration of commercial human spaceflight missions and the return of launch vehicles to the launch site. Under the No Action Alternative, WFF and its partners would continue the existing operations and programs previously discussed in the 2005 Site-Wide EA and the subsequent NEPA documents identified under *Related Environmental Documents.*

Public Meeting

NASA and its Cooperating Agencies will hold a public meeting to discuss WFF's proposed actions and to solicit comments on the Draft PEIS. The public meeting will be held at the WFF Visitor Center on May 23, 2018, from 6 p.m. to 8 p.m.

NASA anticipates that the public will be most interested in the potential environmental impacts of each alternative on protected and special-status species, wetlands, noise, and socioeconomics.

In developing its Final PEIS, NASA will consider all comments received; comments received and responses to comments will be included in the Final PEIS. In conclusion, written public input on environmental issues and concerns associated with the improvement of infrastructure and services at WFF is hereby requested.

Cheryl E. Parker,

Federal Register Liaison.

BILLING CODE 7510–13–P

NATIONAL SCIENCE FOUNDATION

Proposal Review Panel for Computing and Communication Foundations; Notice of Meeting

In accordance with the Federal Advisory Committee Act (Pub., L. 92–463, as amended), the National Science Foundation (NSF) announces the following meeting:

Name and Committee Code: Proposal Review Panel for Computing and Communication Foundations—Science and Technology Centers—Integrative Partnerships Site Visit (#1192)

Date and Time: May 21, 2018; 7:00 p.m.–8:30 p.m.; May 22, 2018; 8:00 a.m.–8:00 p.m.; May 23, 2018; 8:00 a.m.–4:00 p.m.

Place: McGovern Institute for Brain Research, Massachusetts Institute of Technology (MIT), 43 Vassar St., Cambridge, MA 02139.

Type of Meeting: Part-Open.

Contact Person: Phillip Regalia, National Science Foundation, 2415 Eisenhower Avenue, Room W10207, Alexandria, VA 22314; Telephone: (703) 292–8910.

Purpose of Meeting: Site visit to assess the progress of the STC Award: 1231216 ''A Center for Brains, Minds and Machines: The Science and the Technology of Intelligence'', and to provide advice and recommendations concerning further NSF support for the Center.

Agenda: MIT Renewal Review Site Visit

Monday, May 21, 2018

7:00 p.m. to 8:30 p.m.: Closed
Site Team and NSF Staff meet to discuss site visit materials, review process and charge

Tuesday, May 22, 2018

8:00 a.m. to 8:00 p.m.: Open
Presentations by Awardee Institution, faculty staff and students, to Site Team and NSF Staff; Discussions, question and answer sessions

Wednesday, May 23, 2018

8:00 a.m.–4:00 p.m.: Closed
Complete written site visit report with preliminary recommendations.

Reason for Closing: The work being reviewed during closed portions of the site review will include information of a proprietary or confidential nature, including technical information; financial data, such as salaries; and personal information concerning individuals associated with the project. These matters are exempt under 5 U.S.C. 552b(c), (4) and (6) of the Government in the Sunshine Act.

Dated: May 1, 2018.

Crystal Robinson,

Committee Management Officer.

[FR Doc. 2018–09479 Filed 5–3–18; 8:45 am]

BILLING CODE 7555–01–P

NATIONAL SCIENCE FOUNDATION

Committee on Equal Opportunities in Science and Engineering; Notice of Meeting

In accordance with the Federal Advisory Committee Act (Pub. L. 92–463, as amended), the National Science Foundation (NSF) announces the following meeting:

Name and Committee Code: Committee on Equal Opportunities in Science and Engineering (CEOSE) Advisory Committee Meeting (#1173).

Date and Time: May 30, 2018 1:00 p.m.–5:30 p.m.; May 31, 2018 8:30 a.m.–3:30 p.m.

Place: National Science Foundation, 2415 Eisenhower Avenue, Alexandria, VA 22314. To help facilitate your entry into the building, please contact Una Alford (*ualford@nsf.gov* or 703–292–7111) on or prior to May 29, 2018.

Type of Meeting: Open.

Contact Person: Dr. Bernice Anderson, Senior Advisor and CEOSE Executive Secretary, Office of Integrative Activities (OIA), National Science Foundation, 2415 Eisenhower Avenue, Alexandria, VA 22314. Contact Information: 703–292–8040/*banderso@nsf.gov.*

Minutes: Meeting minutes and other information may be obtained from the CEOSE Executive Secretary at the above address or the website at *http://www.nsf.gov/od/oia/activities/ceose/index.jsp.*

Purpose of Meeting: To study data, programs, policies, and other information pertinent to the National Science Foundation and to provide advice and recommendations concerning broadening participation in science and engineering.

Agenda:

- Opening Statement and Chair Report by the CEOSE Chair
- NSF Executive Liaison Report
- Discussion: Responses to the 2015–2016 CEOSE Biennial Report: NSF and Higher Education
