comments will be limited to five (5) minutes to allow time for questions from members of the Committee. All oral comments must relate specifically to matters referred to in 19 U.S.C. 2602(a)(1), with respect to which the Committee makes its findings and recommendations. Oral presentation to the Committee may be requested but, due to time constraints, is not guaranteed.

Written Comments: If you do not wish to make oral comments but still wish to make your views known, you may submit written comments for the Committee to consider. Your written comments should relate specifically to the matters referred to in 19 U.S.C. 2602(a)(1). The Department requests that any party soliciting or aggregating written comments received from other persons for submission to the Department inform those persons that the Department will not edit their comments to remove any identifying or contact information and that they therefore should not include any such information in their comments that they do not want publicly disclosed. Written comments submitted in electronic form are not private. The Department will post the comments at *http://www.regulations.gov.* Because written comments cannot be edited to remove any personally identifying or contact information, the U.S. Department of State cautions against including any information in an electronic submission that one does not want publicly disclosed (including trade secrets and commercial or financial information that are privileged or confidential within the meaning of 19 U.S.C. 2605(i)(1)).
