1	Information Disclosure Citation in a Patent	10	2	20	438.00	8,760.00
Total			100	1,000		438,000.00

Estimated Total Annual (Non-hour) Respondent Cost Burden: $11.50. There are no capital startup, maintenance or operating costs, or filing fees associated with this information collection.

There are postage costs associated with this information collection. Customers may incur postage costs when submitting the information in this collection to the USPTO by mail. The USPTO expects that approximately 98 percent of the responses in this collection will be submitted electronically via the USPTO's electronic filing system (EFS–Web). The USPTO is estimating that all of the submissions in this collection that are not submitted electronically will be submitted by mail, for a total of 2 mailed submissions. The average first clast postage cost for a one-pound mailed submission in a flat rate envelope will be $5.75, and the USPTO is estimating that none of the mailed submissions will exceed one pound. Therefore, the USPTO estimates that the postage costs for the mailed submissions in this collection will be $11.50.

IV. Request for Comments

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection. They will also become a matter of public record.

Comments are invited on:

(a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility;

(b) The accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on respondents, *e.g.,* the use of automated collection techniques or other forms of information technology.
