SUPPLEMENTARY INFORMATION:

Title of Collection: Generic Information Collection Plan for Studies of Consumers Using Controlled Trials in Field and Economic Laboratory Settings.

OMB Control Number: 3170–0048.

Type of Review: Reinstatement with change of a previously approved information collection.

Affected Public: Individuals and households.

Estimated Number of Respondents: 36,120.

Estimated Total Burden Hours: 24,405.

Abstract: Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Bureau is tasked with researching, analyzing, and reporting on topics relating to the Bureau's mission, including developments in markets for consumer financial products and services, consumer awareness, and consumer behavior. Under this generic information collection plan, the Bureau collects data through controlled trials in field and economic laboratory settings. This research is used for developmental and informative purposes to increase the Bureau's understanding of consumer credit markets and household financial decision-making. Basic research projects will be submitted under this clearance.

In consultation with OMB, the Bureau is proposing to modify this generic information collection plan to provide for public notice and opportunity to comment to OMB for each request submitted under this generic.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: January 31, 2019.

Darrin A. King,

Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.
