Synopsis

I. Introduction

1. In the *Order to Show Cause*, Hearing Designation Order, and Notice of Opportunity for Hearing, we commence a hearing proceeding before the Administrative Law Judge to determine whether Ministerios El Jordan (Jordan) is qualified to be and to remain a Commission licensee and, as a consequence thereof, whether its license should be revoked, and whether its pending application should be denied.

2. As discussed more fully below, based on the totality of the evidence, there are substantial and material questions of fact as to whether (i) Jordan repeatedly made misrepresentations to and/or lacked candor with the Commission in its submission of various applications in connection with Low Power FM Station (LPFM) KEJM-LP; (ii) aliens (non-United States citizens) owned or voted more than one-fifth of Jordan's capital stock in violation of section 310(b)(3) of the Communications Act of 1934, as amended (the Act);¹ (iii) Jordan failed to maintain the continuing accuracy and completeness of information furnished in its still pending captioned application for modification of Station KEJM-LP's technical facilities; and (iv) Jordan failed to respond to Commission requests for information.

3. We issue this *Order to Show Cause*, Hearing Designation Order, and Notice of Opportunity for Hearing pursuant to sections 309(e), 312(a)(1), 312(a)(2), 312(a)(4), and 312(c) of the Act,² and the delegated authority of the Enforcement Bureau (Bureau).³

II. Background

A. Ministerios El Jordan

4. Ministerios El Jordan (Jordan) is a non-profit organization that was first incorporated in Missouri in September 2009, and, as described in its first application with the Commission, desires to serve God, the nation, and the people of Carthage, Missouri, by providing educational family counseling, sermons, and Christian music through live and recorded

religious programming.⁴ Jordan presently holds a Commission license for Station KEJM-LP in Carthage, Missouri.

5. Jordan first applied for a construction permit for a new LPFM station on October 25, 2013, by submitting Commission Form 318 (October 2013 Application).⁵ Section II, Question 3(a) of the Commission's Form 318 asks the applicant to identify, *inter alia*, "each party to the application including, as applicable, the applicant, its officers, directors, five percent or greater stockholders, non-insulated partners, members, and all other persons and entities with attributable interests" and their citizenship.⁶ In the October 2013 Application, Jordan responded to Section II, Question 3(a) by identifying as "board members" with an equal percentage of votes, the following five (5) individuals: Eliud Villatoro, Johana Villatoro, Timoteo Garcia, Marlon Fuentes, and Tomas Calgua. In response to the citizenship inquiry in Section II, Question 3(a), Jordan answered "US" for each of these five individuals.⁷

6. On January 10, 2017, Jordan filed a minor modification application (January 2017 Modification).⁸ In the January 2017 Modification, Jordan notified the Commission that the transmitter site specified in the October 2013 Application was unavailable. The January 2017 Modification therefore specified new transmitter coordinates and stated that the station was ready to broadcast at the new coordinates.⁹ In response to Section II, Question 3(a), Jordan again identified Eliud Villatoro, Johana Villatoro, Timoteo Garcia, Marlon Fuentes, and Tomas Calgua as board members and again responded that each was a United States citizen.¹⁰

7. Jordan filed a modification application on November 20, 2017 (November 2017 Modification).¹¹ In the November 2017 Modification, Jordan
