

percent of the 2018 Fair Market Rents (FMRs) for zero and one-bedroom units.

**Nature of Requirement:** The regulation, 24 CFR 982.503(a)(3), states that a public housing agency (PHA) voucher payment standard schedule shall establish a single payment standard amount for each unit size. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area or may establish a separate payment standard amount for each designated part of the FMR area. A waiver of this regulation is necessary to establish a separate payment standard for the HUD-VASH program. The second regulation 24 CFR 982.503(c)(2) states that the HUD office may approve an exception payment standard amount from 110 percent of the published FMR to 120 percent of the published FMR if the HUD Field Office determines that approval is justified by either the median rent method of the 40th of 50th percentile rent method and that such approval is also supported by an appropriated program justification.

**Granted By:** Dominique Blom, General Deputy Assistant Secretary for Public and Indian Housing.

**Date Granted:** December 4, 2018.

**Reason Waived:** This waiver was approved because of the rising rents throughout the Los Angeles area and to better serve HUD-VASH families.

**Project/Activity:** Puerto Rico Housing Finance Authority (RQ911).

**Nature of Requirement:** The regulation establishes certain reporting compliance dates. The audited financial statements are required to be submitted to the Real Estate Assessment Center (REAC) no later than nine months after the housing authority's (HA) fiscal year end (FYE), in accordance with the Single Audit Act and OMB Circular A-133.

**Granted By:** Dominique Blom, General Deputy Assistant Secretary for Public and Indian Housing.

**Date Granted:** October 1, 2018.

**Reason Waived:** The HA requested relief from compliance for additional time to submit its financial reporting requirements for the fiscal year end (FYE) of June 30, 2017. The HA is still recovering from damages resulting from hurricanes which began September 20, 2017 and is in Category C of the applicable Major Disaster Declaration for Hurricane Maria. The circumstances preventing the HA from submitting its FYE 2017 audited financial data by the due date was acceptable. Accordingly, the HA has until March 31, 2019, to submit its audited financial information to the Department. The approval of the Financial Assessment Subsystem (FASS) audited financial submission only permits the extension for filing. The HA is required to contact the HUDOIG Single Audit Coordinator at
