A. Overview of Information Collection

Title of Information Collection: Public Housing Flat Rent Exception Request Market Analysis.

OMB Approval Number: Pending OMB approval.

Type of Request: New.

Form Number: N/A.

Description of the need for the information and proposed use: The form will streamline the process and reduce burden on PHAs when submitting a market analysis as part of a flat rent exception request in accordance with Notice PIH 2015–13(HA), which implements Section 238 of Title II of Public Law 113–235, the Department of Housing and Urban Development Appropriations Act of 2015. Notice PIH 2015–13(HA) allows PHAs to request flat rents that are based on the local rental market conditions, when the PHA can demonstrate through a market analysis that the FMRs are not reflective of the local market. The current submission process does not stipulate a template for PHA submissions, therefore PHAs spend widely varying amounts of time and effort compiling information which may or may not facilitate HUD's review of their request.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on February 27, 2019 at 84 FR 6434.

A. Overview of Information Collection

Title of Information Collection: HUD Standardized Grant Application Forms.

OMB Approval Number: 2501–0017.

Type of Request: Reinstatement with change of a previously approved collection.

Form Number: SF–424; HUD–2880; HUD–424 CB; HUD–424 CBW; HUD–96011.

Description of the need for the information and proposed use: Approval is sought for extension of HUD standardized forms which are used by various HUD competitive grant programs in the grant application process. The HUD Common Budget Form—(HUD–CB), the Common Budget Form Worksheet (HUD–CBW), and the HUD Matrix (HUD–M) are used to offer standardized grant application processes for several HUD programs. The policy of standardization is in accordance with the provisions of the Federal Financial Assistance Improvement Act of 1999 (Pub. L. 106–107, signed November 20, 1999). In addition, the collection references a number of standard forms from the government wide SF Family of Forms. These forms are used for all HUD applications. However, the burden associated with those forms is not reflected in this collection because that burden is reflected in Office of Management and Budget sponsored government-wide information collections.

The HUD Form 2880 is being added to this collection. HUD Form 2880, the Applicant/Recipient Disclosure/Update Report, is required of all entities applying for assistance from HUD for a specific project or activity in excess of \$200,000 during the fiscal year. The collection is removing HUD 424 SUPP because the information is no longer collected and has been continued.
