BILLING CODE 4810-AL-P

DEPARTMENT OF THE TREASURY

Survey of Foreign Ownership of U.S. Securities as of June 30, 2019

AGENCY: Departmental Offices, Department of the Treasury.

ACTION: Notice of reporting requirements.

SUMMARY: By this Notice, the Department of the Treasury is informing the public that it is conducting a mandatory survey of foreign ownership of U.S. securities as of June 30, 2019. This mandatory survey is conducted under the authority of the International Investment and Trade in Services Survey Act. This Notice constitutes legal notification to all United States persons (defined below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, this survey. Additional copies of the reporting forms SHL (2019) and instructions may be printed from the internet at: <http://www.treasury.gov/resource-center/data-chart-center/tic/Pages/forms-sh.aspx>

Definition: A U.S. person is any individual, branch, partnership, associated group, association, estate, trust, corporation, or other organization (whether or not organized under the laws of any State), and any government (including a foreign government, the United States Government, a State or local government, and any agency, corporation, financial institution, or other entity or instrumentality thereof, including a government-sponsored agency), who resides in the United States or is subject to the jurisdiction of the United States.

Who Must Report: The following U.S. persons must report on this survey:

(1) U.S. persons who manage the safekeeping of U.S. securities (as specified below) for foreign persons. These U.S. persons, who include the affiliates in the United States of foreign

entities, and are henceforth referred to as U.S. custodians, must report on this survey if the total market value of the U.S. securities whose safekeeping they manage on behalf of foreign persons—aggregated over all accounts and for all U.S. branches and affiliates of their firm—is \$100 million or more as of June 30, 2019.

(2) U.S. persons who issue securities, if the total market value of their securities owned directly by foreign persons—aggregated over all securities issued by all U.S. subsidiaries and affiliates of the firm, including investment companies, trusts, and other legal entities created by the firm—is \$100 million or more as of June 30, 2019. U.S. issuers should report only foreign holdings of their securities which are directly held for foreign residents, *i.e.*, where no U.S.-resident custodian or central securities depository is used. Securities held by U.S. nominees, such as bank or broker custody departments, should be considered to be U.S.-held securities as far as the issuer is concerned.

(3) U.S. persons who receive a letter from the Federal Reserve Bank of New York that requires the recipient of the letter to file Schedule 1, even if the recipient is under the exemption level of \$100 million and need only report “exempt” on Schedule 1.

What To Report: This report will collect information on foreign resident holdings of U.S. securities, including equities, short-term debt securities (including selected money market instruments), and long-term debt securities.

How To Report: Copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, may be obtained at the website address given above in the **SUMMARY**, or by contacting the survey staff of the Federal Reserve Bank of New York at (212) 720-6300 or (646) 720-6300, email: SHLA.help@ny.frb.org. The mailing address is: Federal Reserve Bank of New York, Data and Statistics Function, 6th Floor, 33 Liberty Street, New York, NY 10045-0001. Inquiries can also be made to the Federal Reserve Board of Governors, at (202) 452-3476, or to Dwight Wolkow, at (202) 622-1276, or by email: comments2TIC@do.treas.gov.

When To Report: Data should be submitted to the Federal Reserve Bank of New York, acting as fiscal agent for the Department of the Treasury, by August 30, 2019.

Paperwork Reduction Act Notice: This data collection has been approved by the Office of Management and Budget (OMB) in accordance with the

Paperwork Reduction Act and assigned control number 1505-0123. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB. The estimated average annual burden associated with this collection of information is 321 hours per report for custodians of securities (the burden varies widely and we estimate 486 hours for the largest custodians), 61 hours per report for issuers of securities that have data to report and are not custodians (we estimate 110 hours for the largest issuers), and 17 hours per report for those who file as exempt in a benchmark survey. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Department of the Treasury, Office of International Affairs, Attention Administrator, International Portfolio Investment Data Reporting Systems, Room 5422, Washington, DC 20220, and to OMB, Attention Desk Officer for the Department of the Treasury, Office of Information and Regulatory Affairs, Washington, DC 20503.
