3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Extension of a currently approved information collection request; *Title of Information Collection:* Reassignment of Medicare Benefits; *Use:* The reassignment application is submitted at the time the provider/supplier first reassigns of his/her Medicare benefits to a group practice, as well as any subsequent reassignments, changes to current reassignment information or terminations of established reassignments as requested by the provider/supplier or group. The application is used by the Medicare Administrative Contractor (MAC) to collect data to assure the applicant has the necessary information that allows the MAC to correctly establish, change, or terminate the reassignment.

The collection and verification of reassignment information defends and protects our beneficiaries from illegitimate providers/suppliers. These procedures also protect the Medicare Trust Fund against fraud. It gathers information that allow Medicare contractors to ensure that the provider/supplier is not sanctioned from the Medicare and/or Medicaid program(s), or debarred, or excluded from any other Federal agency or program. The data (*e.g.,* Social Security Numbers, Employer Identification Numbers) collected also ensures that the applicant has the necessary credentials to provide the health care services for which they intend to bill Medicare through the reassignment. This is sole instrument implemented for this purpose. *Form Number:* CMS–855R (OMB control number: 0938–1179); *Frequency:* Occasionally; *Affected Public:* Private Sector; Businesses or other for-profits, Not-for-profit institutions; *Number of Respondents:* 357,628; *Number of Responses:* 357,628; *Total Annual Hours:* 89,407.
