SUPPLEMENTARY INFORMATION:

A. Solicitation of Public Comment

Written comments and suggestions from the public should address one or more of the following four points:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g. permitting electronic submission of responses).

B. Purpose

In accordance with FAR 52.232–20 and 52.232–22, firms performing under fully funded or incrementally funded cost-reimbursement Federal contracts are required to notify the contracting officer in writing whenever they have reason to believe—

(1) The costs the contractors expect to incur under the contracts in the next 60 days, when added to all costs previously incurred, will exceed 75 percent of the estimated cost of the contracts; or (2) The total cost for the performance of the contracts will be greater or substantially less than estimated.

As a part of the notification, the contractors must provide a revised estimate of total cost. The frequency of this collection of information is variable, contingent upon both funding and spending patterns.

C. Annual Reporting Burden

Respondents: 1,928.

Responses per Respondent: 6.

Total Annual Responses: 11,568.

Hours per Response: 0.33.
