Under WIOA section 116(d)(6), the Secretary of Labor is required to annually make available (including by electronic means), in an easily understandable format, (a) the State Annual Performance Reports containing the information described in WIOA section 116(d)(2) and (b) a summary of the reports, and the reports required under WIOA section 116(d)(6) (the State Performance, Local Area, and Eligible Training Provider Reports), to the Committee on Education and the Workforce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate.

The reports and other analyses of the data will be made available to the public through publication and other appropriate methods and to the appropriate congressional committees through copies of such reports. In addition, information obtained through the DOL-only Performance Accountability, Information, and Reporting System will be used at the national level during budget and allocation hearings for DOL compliance with the Government Performance and Results Act and other legislative requirements, and during legislative authorization proceedings.

As mentioned above, as part of DOL's effort to improve program performance reporting, DOL added the performance information collection requirements for Apprenticeship Grants to this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request

for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention DOL-only Performance Accountability, Information, and Reporting System OMB Control No. 1205-0521.

Changes to Agency Records Schedule; Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of consolidated reply to comments on records schedule DAA-0567-2015-0013 (DHS-ICE-Detainee Records), and request for comments.

SUMMARY: We are publishing a consolidated reply to public comments submitted on a previously open proposed records schedule. On July 14, 2017, NARA published notice in the *Federal Register* of proposed records schedule DAA-0567-2015-0013. sexual abuse and assault, escapes, deaths while in agency custody, telephone rates charged to detainees, alternatives to detention, logs and reports on status of detainees and detention facilities, and location and segregation of detainees." We received comments on this records schedule and are providing a consolidated reply on those comments on *regulations.gov* at docket NARA-19-0007. We are also inviting public comment on the reply.

DATES: Submit any comments in writing no later than August 5, 2019. We will not consider late comments.

ADDRESSES: You can find and read the consolidated reply on *regulations.gov* under docket number NARA-19-0007. You may submit comments by either of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>, docket number NARA-19-0007.

Mail: Records Appraisal and Agency Assistance (ACR); National Archives and Records Administration; 8601 Adelphi Road, College Park, MD 20740-6001. You must cite the control number DAA-0567-2015-0013 in your comment.

SUPPLEMENTARY INFORMATION: We have revised this proposed records schedule based on public comments and discussions with the agency proposing the schedule. We are now inviting follow-on public comments on the appropriateness of the disposition instructions and retention periods for the items that remain on the revised schedule.

Your written comments on this proposed records schedule should be specific, should be confined to issues pertinent to the records schedule, and should explain your reason(s) for any change you recommend to the schedule. Where possible, you should reference the specific item you are addressing. We will accept only comments submitted through www.regulations.gov or mail and will not consider comments filed after the deadline.

We will post another consolidated reply to all comments we receive during this comment period, which will be posted to the same docket on *regulations.gov*.

We will post comments, including any personal information and

attachments, to the public docket unchanged. Because comments are public, you are responsible for ensuring that you do not include any confidential or other information that you or a third party may not wish to be publicly posted. We will consider all comments submitted by the posted deadline and consult as needed with the Federal agency seeking the disposition authority. After considering comments, we will post on *regulations.gov* a second consolidated reply, summarizing the comments, responding to them, and noting any changes we have made to the proposed records schedule. We will then send the schedule for final approval by the Archivist of the United States.

You may elect at *regulations.gov* to receive updates on the docket, including an alert when we post the second consolidated reply, whether or not you submit a comment. You may request additional information about the disposition process through the contact information listed above.
