BILLING CODE P

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

Determination Pursuant to Section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as Amended

AGENCY: Office of the Secretary, Department of Homeland Security.

ACTION: Notice of determination.

SUMMARY: The Acting Secretary of Homeland Security has determined, pursuant to law, that it is necessary to waive certain laws, regulations, and other legal requirements in order to ensure the expeditious construction of barriers and roads in the vicinity of the international land border in Hidalgo County, Texas and Starr County, Texas.

DATES: This determination takes effect on August 30, 2019.

SUPPLEMENTARY INFORMATION: Important missions of the Department of Homeland Security (“DHS”) include border security and the detection and prevention of illegal entry into the United States. Border security is critical to the nation’s national security. Recognizing the critical importance of border security, Congress has mandated DHS to achieve and maintain operational control of the international land border. Secure Fence Act of 2006, Public Law 109–367, § 2, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1701 note). Congress defined “operational control” as the prevention of all unlawful entries into the United States, including entries by terrorists, other unlawful aliens,

instruments of terrorism, narcotics, and other contraband. *Id.* Consistent with that mandate from Congress, the President’s Executive Order on Border Security and Immigration Enforcement Improvements directed executive departments and agencies to deploy all lawful means to secure the southern border. Executive Order 13767, § 1. In order to achieve that end, the President directed, among other things, that I take immediate steps to prevent all unlawful entries into the United States, including the immediate construction of physical infrastructure to prevent illegal entry. Executive Order 13767, § 4(a).

Congress has provided to the Secretary of Homeland Security a number of authorities necessary to carry out DHS’s border security mission. One of those authorities is section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as amended (“IIRIRA”). Public Law 104–208, Div. C, 110 Stat. 3009–546, 3009–554 (Sept. 30, 1996) (8 U.S.C. § 1103 note), as amended by the REAL ID Act of 2005, Public Law 109–13, Div. B, 119 Stat. 231, 302, 306 (May 11, 2005) (8 U.S.C. 1103 note), as amended by the Secure Fence Act of 2006, Public Law 109–367, § 3, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1103 note), as amended by the Department of Homeland Security Appropriations Act, 2008, Public Law 110–161, Div. E, Title V, § 564, 121 Stat. 2090 (Dec. 26, 2007). In section 102(a) of IIRIRA, Congress provided that the Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads (including the removal of obstacles to detection of illegal entrants) in the vicinity of the United States border to deter illegal crossings in areas of high illegal entry into the United States. In section 102(b) of IIRIRA, Congress mandated the installation of additional fencing, barriers, roads, lighting, cameras, and sensors on the southwest border. Finally, in section 102(c) of IIRIRA, Congress granted to the Secretary of Homeland Security the authority to waive all legal requirements that I, in my sole discretion, determine necessary to ensure the expeditious construction of barriers and roads authorized by section 102 of IIRIRA.

Determination and Waiver

Section 1

The United States Border Patrol’s (Border Patrol) Rio Grande Valley Sector is an area of high illegal entry. In fiscal year 2018 alone, the Border Patrol apprehended over 162,000 illegal aliens attempting to enter the United States

between border crossings in the Rio Grande Valley Sector. In that same year, the Border Patrol had over 1,400 separate drug-related events between border crossings in the Rio Grande Valley Sector, through which it seized over 204,000 pounds of marijuana, over 1,850 pounds of cocaine, over 16 pounds of heroin, and over 750 pounds of methamphetamine.

Owing to the high levels of illegal entry within the Rio Grande Valley Sector, I must use my authority under section 102 of IIRIRA to install additional physical barriers and roads in the Rio Grande Valley Sector. Therefore, DHS will take immediate action to construct barriers and roads. The areas in the vicinity of the border within which such construction will occur are more specifically described in Section 2 below. Such areas are not located within any of the areas identified in sections 231 and 232(c) of title II of division A of the Fiscal Year 2019 DHS Appropriations Act. *See* Public Law 116–6, Div. A, Title II, §§ 231–232.

Section 2

I determine that the following areas in the vicinity of the United States border, located in the State of Texas within the Border Patrol's Rio Grande Valley Sector, are areas of high illegal entry (the "project areas"):

- Starting approximately one-quarter (0.25) of a mile northwest of the intersection of South Conway Street (also known as La Lomita Boulevard) and the International Boundary and Water Commission (IBWC) levee and extending southeast along the IBWC levee to the northwest boundary of the La Lomita Historical Park, which is also the intersection of East Chimney Road and the IBWC levee.

- Starting at the southeast boundary of the La Lomita Historical Park and extending southeast along the levee to the point where the levee ends at South Depot Road.

- Starting at a point that is approximately six hundred and twenty (620) feet northwest of the intersection of South Depot Road and State Highway 115, and extending south along the levee for approximately one (1) mile.

- Starting at a point on the IBWC levee that is approximately one-quarter (0.25) of a mile south and west of the point at which South 15th Street ends near Carlson Lake, and then extending east along the northern shore of Carlson Lake and continuing east along Doffin Canal Road to the western boundary of the Santa Ana National Wildlife Refuge.

- Starting at the eastern boundary of the La Coma Tract of the Lower Rio Grande Valley National Wildlife Refuge

and extending west along the IBWC levee for approximately one-tenth (0.10) of a mile.

- Starting outside the city limits of Rio Grande City, Texas, at a point approximately two hundred and fifteen (215) feet southeast of the location where the international bridge at the Rio Grande City port of entry begins to cross the Rio Grande River and extending south and east along the Rio Grande River for approximately sixth-tenths (0.60) of a mile.

- Starting outside the city limits of La Grulla, Texas, at a point approximately three hundred and forty (340) feet northwest of the intersection of Mission Street and West Private Lazaro Solis Street and extending northwest for approximately one (1) mile.

- Starting outside the city limits of La Grulla, Texas, at a point approximately two-tenths (0.20) of a mile southeast of the intersection of East Private Lazaro Solis Street and El Sol Drive and extending east for approximately two and four-tenths (2.40) miles.

There is presently an acute and immediate need to construct physical barriers and roads in the vicinity of the border of the United States in order to prevent unlawful entries into the United States in the project areas pursuant to sections 102(a) and 102(b) of IIRIRA. In order to ensure the expeditious construction of the barriers and roads in the project areas, I have determined that it is necessary that I exercise the authority that is vested in me by section 102(c) of IIRIRA.

Accordingly, pursuant to section 102(c) of IIRIRA, I hereby waive in their entirety, with respect to the construction of roads and physical barriers (including, but not limited to, accessing the project areas, creating and using staging areas, the conduct of earthwork, excavation, fill, and site preparation, and installation and upkeep of physical barriers, roads, supporting elements, drainage, erosion controls, safety features, lighting, cameras, and sensors) in the project areas, all of the following statutes, including all federal, state, or other laws, regulations, and legal requirements of, deriving from, or related to the subject of, the following statutes, as amended: The National Environmental Policy Act (Pub. L. 91–190, 83 Stat. 852 (Jan. 1, 1970) (42 U.S.C. 4321 *et seq.*)); the Endangered Species Act (Pub. L. 93–205, 87 Stat. 884 (Dec. 28, 1973) (16 U.S.C. 1531 *et seq.*)); the Federal Water Pollution Control Act (commonly referred to as the Clean Water Act (33 U.S.C. 1251 *et seq.*)); the National Historic Preservation Act (Pub.
