SUPPLEMENTARY INFORMATION:
Title of Collection: Truth in Savings (Regulation DD) 12 CFR 1030.
OMB Control Number: 3170-0004.
Type of Review: Extension without change of a currently approved collection.
Affected Public: Private Sector.
Estimated Number of Annual Respondents: 144.
Estimated Total Annual Burden Hours: 625,187.¹

¹ The Bureau shares supervisory authority for Regulation DD with the Federal Reserve Board (12 CFR 1030, OMB No. 7100-0271), the Department of Treasury’s Office of the Comptroller of the Currency (12 CFR 1030, OMB No. 1557-0176), and the Federal Deposit Insurance Corporation (12 CFR 230, OMB No. 3064-0084). The total estimated burden for all agencies is 749,982 hours for a total of 5,457 respondents.

Abstract: Consumers rely on the disclosures required by the Truth in Savings Act (TISA) and Regulation DD to facilitate informed decision-making regarding deposit accounts offered at depository institutions. Without this information, consumers would be severely hindered in their ability to assess the true costs and terms of the deposit accounts offered. Federal agencies and private litigants use the records to ascertain whether accurate and complete disclosures of depository accounts have been provided to consumers. This information also provides the primary evidence of law violations in TISA enforcement actions brought by the Bureau. Without the Regulation DD recordkeeping requirement, the Bureau’s ability to enforce TISA would be significantly impaired. This is a routine renewal of an existing information collection. The Bureau is not proposing any policy changed pursuant to this notice.

Request For Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: September 4, 2019.

Darrin A. King,
Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.
