Background

In 2017, the Congress enacted the Indian Employment Training and Related Services Consolidation Act of 2017, Public Law 115–93, codified at 25 U.S.C. 3401–3417 (“2017 Act”). The 2017 update amended and expanded the Indian Employment and Related Services Demonstration Act of 1992, Public Law 102–477 (as amended in 2017, “PL 477”) by, in part, identifying eight additional Federal agencies that are now subject to the amended law, including the Departments of Justice, Agriculture, Commerce, Energy, Homeland Security, Housing and Urban Development, Transportation, and Veterans Affairs. Under PL 477, Tribes may propose to integrate eligible grant programs from these agencies and the Departments of the Interior, Health and Human Services, Labor and Education, consolidate and reprogram grant funds in accordance with a plan approved by the Secretary of the Interior (“477 Plan”). As required by the 2017 updates to PL 477, the Department of the Interior entered into a Memorandum of Agreement (MOA) among the 12 Federal agencies to implement PL 477.

As directed by statute, the meeting will be co-chaired by Assistant Secretary-Indian Affairs Tara Sweeney and 477 Tribal Work Group Committee Chair Margaret Zientek. 25 U.S.C. 3410(a)(3)(B)(i).

Bureau of Land Management

[LLCON01000.L14400000.EU0000.20X]

Notice of Realty Action: Segregation of Public Land for Proposed Non-Competitive (Direct) Sale in Moffat County, CO

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) is proposing a non-competitive (direct) sale of 2.13 acres of public land in Moffat County to the Moffat County Board of County Commissioners to resolve an inadvertent, unauthorized use of public lands. The sale will be subject to the applicable provisions of the Federal Land Policy and Management Act of 1976 (FLMPA), as amended, and BLM land sale regulations. The sale will be for no less than the appraised fair market value (FMV).

DATES: Interested parties must submit written comments no later than October 29, 2020.

ADDRESSES: Mail written comments to Bruce Sillitoe, Field Manager, BLM Little Snake River Field Office, 455 Emerson Street, Craig, CO 81625.

FOR FURTHER INFORMATION CONTACT: Janell Corey, Realty Specialist, BLM Little Snake Field Office, at the previous address, or by telephone at 970–826–5053, or by email at jcorey@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1–800–877–8339 to contact Ms. Corey during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or questions. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Moffat County Board of County Commissioners formally requested to purchase the subject parcel to resolve its inadvertent, unauthorized use.

The following described public lands in Moffat County are segregated from all forms of appropriation under public laws, including the mining laws, upon publication of this notice:

Sixth Principal Meridian, Colorado

T. 9 N., R. 102 W.,

sec. 2, lot 36;

sec. 3, lot 24.

The area described contains 2.13 acres.

The BLM is no longer accepting applications affecting the subject parcel, except those to amend previously filed right-of-way applications or the existing authorization to increase grant terms in accordance with 43 CFR 2807.15 and 2886.15.

During the segregation period, the BLM will conduct a parcel-specific environmental analysis and review in accordance with the Secretarial Order 3373—*Evaluating Public Access in Bureau of Land Management Public Land Disposals and Exchanges*, to determine any adverse effects before offering the subject parcel for sale.

The segregation will terminate upon issuance of a patent, publication in the **Federal Register** for termination of the segregation, or September 14, 2022, unless extended prior to the termination date by the BLM Colorado State Director in accordance with 43 CFR 2711.1–2(d).

The proposed sale is in conformance with the BLM Little Snake Resource Management Plan (RMP), approved in October 2011, on page RMP–52 and Management Action: Allowable Uses and Actions. The Authorized Officer has determined this sale to be in the best interest of the public in accordance with the provisions of the RMP.

Existing historical structures make the subject parcel difficult for the BLM to manage. Under FLPMA Section 203, disposal of the subject parcel is allowed because existing characteristics are difficult and uneconomic to manage and the parcel is not suitable for management by another Federal department or agency.

In accordance with 43 CFR 2710–0–6 and 43 CFR 2711.3–3(a), “Direct sales (without competition) may be utilized, when in the opinion of the authorized officer, a competitive sale is not appropriate and the public interest would best be served by a direct sale.” In this case, a direct sale is appropriate because the subject parcel contains previously and inadvertently built, unauthorized historical structures significant to the history of public schools in Moffat County. The county intends to use the property for public education and to enhance tourism in the area.
