Abstract: The BIA is seeking to renew the information collection conducted under 25 CFR 23, related to the Indian Child Welfare Act (ICWA). The BIA collects information using a consolidated caseload form, which Tribal ICWA program directors complete. The BIA uses the information to determine the extent of service needs in local Indian communities, assess ICWA program effectiveness, and provide data for the annual program budget justification. The aggregated report is not considered confidential.

This form must be completed by federally recognized Tribes that operate child protection programs. Submission of this information by federally recognized Tribes allows the BIA to consolidate and review selected data on Indian child welfare cases. The data is useful on a local level, to the Tribes and Tribal entities that collect it, for case management purposes. The data are useful on a nationwide basis for planning and budget purposes.

**Privacy Act of 1974; System of
Records**

AGENCY: Office of the Secretary, Interior.

ACTION: Rescindment of a system of records notice.

SUMMARY: The Department of the Interior (DOI) is issuing a public notice of its intent to rescind the Privacy Act system of records, INTERIOR/DOI–79, Interior Personnel Records, from its inventory because it is duplicative with existing system of records notice requirements. During a review of DOI system of records notices, it was determined that personnel records of current and recently separated DOI employees maintained by DOI are covered under the government-wide system of records notice, OPM/GOVT–1, General Personnel Records, and the DOI system of records notice, INTERIOR/DOI–85, Payroll, Attendance, Retirement, and Leave Records. This rescindment will eliminate an unnecessary duplicate notice and promote the overall streamlining and management of DOI Privacy Act systems of records.

DATES: These changes take effect on November 24, 2020.
