SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension with change of a currently approved collection.

(2) *The Title of the Form/Collection:* Report of Multiple Sale or Other Disposition of Certain Rifles.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*
Form number: ATF Form 3310.12.
Component: Bureau of Alcohol,

Tobacco, Firearms and Explosives, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.

Other: None.

Abstract: Federal firearms licensees (FFLs) who are dealers and pawnbrokers in Arizona, California, New Mexico and Texas, must report multiple sale or other disposition of two or more rifles with the following characteristics: (a) Semi-automatic, (b) caliber greater than .22, and (c) the ability to accept a detachable magazine. These FFLs must complete the Report of Multiple Sale or Other Disposition of Certain Rifles—ATF Form 3310.12 regarding such sale or other disposition to an unlicensed person, whether it occurs one time or within five consecutive business days.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 1,000 respondents will utilize the form about twice annually, and it will take each respondent approximately 12 minutes to complete their responses.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 400 hours, which is equal to 1,000 (# of respondents) * 2 (# of responses per respondent) * .2 (12 minutes).

(7) *An Explanation of the Change in Estimates:* The adjustments associated with this collection include a decrease in the number of respondents and responses by 870 and 7,640 respectively. Consequently, both the public burden hours and public cost burden have also reduced by 1,492 and \$20,067 respectively, since the last renewal in 2019.

Notice of Filing of Proposed Settlement Agreement Regarding Environmental Claims in Connection With the Pioneer Metals Finishing Superfund Site

On January 21, 2021 a Notice of Motion was filed in the Superior Court for the State of California for the County of San Francisco in the proceeding entitled *Insurance Commissioner of the State of California vs. Western Employers Insurance Company, et al.*, Case No. CPF-97-984281. The Motion will seek court approval of the Pioneer Metals Finishing Superfund Site Settlement Agreement between the Insurance Commissioner of the State of California (“Commissioner”), in his capacity as the liquidator of the Western Employers Insurance Company (“WEIC”), and the Environmental Protection Agency (“EPA”), acting by and through the United States Department of Justice (“DOJ”).

The Settlement Agreement would resolve a proof of claim by the EPA under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. 9607, against WEIC involving the insured Pioneer Metals Finishing Co., Inc. (“Pioneer Metals”) at the Pioneer Metals Finishing Superfund Site. EPA filed a proof of claim in the instant proceeding against WEIC arising from policies of insurance that WEIC companies had issued to Pioneer Metals based on liability for contamination at the Pioneer Metals Finishing Superfund Site.

Under the Settlement Agreement, WEIC will pay to the United States \$1,200,000 million to the EPA. In consideration of this payment, upon approval of the Settlement Agreement, the EPA covenants not to file a civil action against the Insurance Commissioner, the California Department of Insurance, the California Conservation and Liquidation Office and WEIC with respect to all liabilities and obligations to Pioneer Metals or the EPA arising under CERCLA under the Policies issued by the WEIC to Pioneer Metals, whether such liabilities and obligations are known or unknown, reported or unreported, and whether currently existing or arising in the future. The Settlement Agreement is conditioned upon court approval. The Commissioner will appear at a hearing to present the motion seeking approval of the Settlement Agreement on February 24, 2021 at 9:30 a.m. in Department 302 of the San Francisco County Superior Court located at 400 McAllister Street, San Francisco, California 94102.

The publication of this notice opens a period for public comment on the Settlement Agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *Insurance Commissioner of the State of California v. Western Employers Insurance Company, et al.*, D.J. Ref. No. 90-11-3-10954/2. All comments must be submitted no later than thirty (30) days after the publication date of this notice. DEPARTMENT OF JUSTICE

Notice of Extension of Public Comment Period

On December 17, 2020, the Department of Justice lodged a proposed consent decree with the United States District Court for the Northern District of Georgia in the lawsuit entitled *United States, the State of Utah, the State of Rhode Island and the Commonwealth of Massachusetts Executive Office of Workforce Development, Department of Labor Standards v. The Home Depot, U.S.A., Inc.*, Civil Action No. 1:20CV5112.

The United States, in conjunction with the State of Utah, the State of Rhode Island, and the Commonwealth of Massachusetts Executive Office of Workforce Development, Department of Labor Standards, filed this lawsuit under the Toxic Substances Control Act alleging violations of the Act’s Renovation, Repair, and Painting (“RRP”) regulations, 40 CFR part 745, which address lead paint hazards at home renovations. The complaint alleges that Home Depot performed renovations through its retail stores at approximately 2000 homes covered by the RRP regulations without using EPA certified firms, among other allegations. The proposed consent decree requires Home Depot to institute a compliance program and pay a civil penalty of \$20,750,000.

On December 23, 2020, the Department of Justice published notice of the lodging of the proposed consent decree. 85 FR 84,001. The notice started a 30-day period for the submission of comments on the proposed consent decree. The Department of Justice has

received a request for an extension of the comment period. In consideration of the request, notice is hereby given that the Department of Justice has extended the comment period on the proposed consent decree by an additional 30 days, up to and including February 22, 2021.
