**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34–91461; File No. SR–NASDAQ–2021–004]

**Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Order Approving Proposed Rule Change, as Modified by Amendment No. 2, To Disseminate Abbreviated Order Imbalance Information for the Nasdaq Opening Cross, Amend Certain Cutoff Times for On-Open Orders Entered for Participation in the Nasdaq Opening Cross, and Extend the Time Period for Accepting Certain Limit-On-Open Orders**

April 2, 2021.

**I. Introduction**

On February 3, 2021, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities

and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> a proposed rule change to disseminate abbreviated order imbalance information for the Nasdaq opening cross, amend certain cutoff times for on-open orders entered for participation in the Nasdaq opening cross, and extend the time period for accepting certain limit-on-open orders. The proposed rule change was published for comment in the **Federal Register** on February 17, 2021.<sup>3</sup> On April 1, 2021, the Exchange filed Amendment No. 2 to the proposed rule change.<sup>4</sup> The Commission received no comment letters on the proposed rule change. This order approves the proposed rule change, as modified by Amendment No. 2.

**II. Description of the Proposal**

The Nasdaq opening cross is the process for determining the price at which orders would be executed at the open and for executing those orders, and it establishes the Nasdaq official opening price for a security.<sup>5</sup> Under the current process, market-on-open (“MOO”) orders<sup>6</sup> and limit-on-open (“LOO”) orders<sup>7</sup> may be entered, cancelled, or modified between 4:00 a.m.<sup>8</sup> and immediately prior to 9:28 a.m.<sup>9</sup> Opening imbalance only (“OIO”) orders may be entered between 4:00 a.m. until the time of execution of the Nasdaq opening cross, and may be

<sup>1</sup> 15 U.S.C. 78s(b)(1).<sup>2</sup> 17 CFR 240.19b–4.<sup>3</sup> See Securities Exchange Act Release No. 91096 (February 10, 2021), 86 FR 9972 (“Notice”).<sup>4</sup> On April 1, 2021, the Exchange also filed and withdrew Amendment No. 1 to the proposed rule change. In Amendment No. 2, the Exchange specified April 26, 2021 as the implementation date for the proposed rule change and amended a footnote to reflect that the proposal would not affect the handling of market-on-open orders or market hours orders with market pegging that are entered after 9:28 a.m. Because Amendment No. 2 does not materially alter the substance of the proposed rule change and makes conforming and technical changes, it is not subject to notice and comment. Amendment No. 2 is available on the Commission's website at: <https://www.sec.gov/rules/sro/nasdaq.htm>.<sup>5</sup> See Nasdaq Equity 4, Rule (“Rule”) 4752(a)(5) and Notice, *supra* note 3, at 9972–73.<sup>6</sup> A MOO order is an order type entered without a price that may be executed only during the Nasdaq opening cross. See Rule 4702(b)(8)(A); see also Notice, *supra* note 3, at 9973 n.8.<sup>7</sup> A LOO order is an order type entered with a price that may be executed only in the Nasdaq opening cross, and only if the price determined by the Nasdaq opening cross is equal to or better than the price at which the LOO order was entered. See Rule 4702(b)(9)(A); see also Notice, *supra* note 3, at 9973 n.9.<sup>8</sup> All times referenced are in Eastern Time.<sup>9</sup> See Rule 4702(b)(8)(A) and (b)(9)(A); see also Notice, *supra* note 3, at 9973 n.8–9.
