

in the designated drop-boxes, TSA staff at airports collect the cards, categorize comments, enter the results into an online system for reporting, and respond to passengers as appropriate. If the passenger voluntarily provides contact information, TSA will use the contact information to respond to the passenger's comments.

In addition, passengers may make comments or requests, or file complaints, via online submission forms available at [www.tsa.gov/contact/contact-forms](http://www.tsa.gov/contact/contact-forms). The electronic forms, which the TSA Contact Center handles, include the following forms:

- **Complaint and Compliment.** Like the paper comment card, the electronic Complaint and Compliment form is intended to allow passengers to provide feedback to TSA regarding their experiences with TSA security procedures. Passengers may also use this form to file Disability or Civil Rights and Civil Liberties complaints.

- **Request for Assistance.** This electronic form allows passengers to request assistance at the TSA checkpoint as part of the TSA Cares Program. The program was developed for passengers with disabilities, medical conditions, and other special circumstances who may need additional assistance during the security screening process.<sup>1</sup>

- **Request for Information.** This electronic form allows passengers to submit an inquiry about TSA policies and procedures, such as traveling with medical conditions, prohibited and permitted items, or security screening.

- **Security Issues.** This electronic form allows passengers to play a critical role in identifying and reporting suspicious activities and threats. The TSA Contact Center provides a receipt to any person who submits an electronic form or email to TSA as required by 49 CFR 1503.3(a).

TSA estimates we will receive 6,950 paper customer comment card submissions, 76,739 electronic comment submissions, and 4,663 disability and civil rights complaints.

The following provides TSA's estimates for time needed to complete these forms:

- Approximately 5 minutes (0.0833 hours) to complete the comment card and the electronic comment submission.

- Approximately 7 minutes (0.1166 hours) to complete the Disability and Civil Right complaint.

In total, TSA estimates the annual number of respondents to be 88,352, with 7,518 average annual burden hours. Annual respondents and burden hours have been adjusted from prior ICR submission estimates due to actual data obtained over the past few years.
