SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on January 25, 2021 at 86 FR 6912.

A. Overview of Information Collection

Title of Information Collection: Requirements for Designating Housing Projects.

OMB Approval Number: 2577-0192.

Type of Request: Revision of a currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: The information collection burden associated with designated housing is required by statute. Section 10 of the Housing Opportunity and Extension Act of 1996 modified Section 7 of the U.S. Housing Act of 1937 to require Public Housing Agencies (PHAs) to submit a plan for HUD approval before a project(s) can be designated as either elderly only, disabled only, or elderly and disabled. In this plan, PHAs must document why the designation is needed and provide the following information:

1. Description of the designated housing plan;
2. Justification for the designation;
3. Availability of alternative housing resources for the non-designated population(s);
4. Impact on the availability of accessible housing;
5. A statement that existing tenants in good standing will not be evicted;
6. A statement of the resources that will be made available if the PHA offers voluntary relocation benefits; and
7. Information describing how the DHP is consistent with any outstanding court orders, lawsuits, investigations, Voluntary Compliance Agreements (VCAs), Conciliation Agreements, or Letters of Findings or Determinations, etc., including for example, actions under Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act, the Age Discrimination Act, the Fair Housing Act, or the Americans with Disabilities Act.

Respondents (i.e. affected public): State, or Local Government.

Estimated Number of Respondents: 18.

Estimated Number of Responses: 1.
Frequency of Response: On occasion.
Average Hours per Response: 15 hours.

Total Estimated Burdens: 270 hours. The previous estimation of 585 annual burden hours has been reduced to 270. This change is based on the average number of Plans submitted between Calendar Years 2017, 2018 and

2019. HUD expects that the number of respondents will continue to decline because of the trend in Public Housing Agencies (PHAs) repositioning their developments and moving out of the public housing program.

The national average PHA staff salary = \$51,000¹ per year or \$24.00 per hour. The calculation for costs is as follows:
18 PHAs × 15 hours = 270 hours × \$24² = \$6,480.

Information collection	Number of respondents	* Average number of responses per respondent	Total annual responses	Burden hours/minutes per response	Total hours	Hourly cost	Total annual cost
2577-0192	18	1	18	15	270	\$24.00	\$6,480
