Abstract: VHA Directive 1909 provides policy for the Department of Veterans Affairs (VA) Health Eligibility Center (HEC) Income Verification (IV) Program under authority of 38 United States Code (U.S.C.) 1722; 38 U.S.C. 5317. Title 38 U.S.C. 1722 established eligibility assessment procedures, based on income levels, for determining whether nonservice-connected (NSC) Veterans and non-compensable zero percent service-connected (SC) Veterans, who have no other special eligibility, are eligible to receive VA health care at no cost. Title 26 U.S.C. 6103(l)(7) of the Internal Revenue Code and 38 U.S.C. 5317 establish authority for VA to verify Veterans’ gross household income information against records maintained by the Internal Revenue Service (IRS) and Social Security Administration (SSA) when that information indicates the Veteran is eligible for cost-free VA health care.

This information collection is necessary for HEC’s Income Verification Division (IVD) to verify the income of Veterans and spouses. HEC IVD sends Veterans, and their spouses, individual letters to confirm income information reported by IRS and SSA. HEC does not change the Veteran’s copy status until information supplied by IRS and SSA has been independently verified, either by the Veteran or through appropriate due process procedures.

DEPARTMENT OF VETERANS AFFAIRS

Allowance for Private Purchase of an Outer Burial Receptacle in Lieu of a Government-Furnished Graveliner for a Grave in a VA National Cemetery

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: The Department of Veterans Affairs (VA) is updating the monetary allowance payable for qualifying interments that occur during Calendar Year (CY) 2022, which applies toward the private purchase of an outer burial receptacle (or “graveliner”) for use in a VA national cemetery. The allowance is equal to the average cost of Government-furnished graveliners less any administrative costs to VA. The purpose of this notice is to notify interested parties of the average cost of Government-furnished graveliners, administrative costs that relate to processing and paying the allowance and the amount of the allowance payable for qualifying interments that occur CY 2022.

DATES: This notice is effective January 1, 2022.

FOR FURTHER INFORMATION CONTACT:

William Carter, Chief of Budget Execution Division, National Cemetery Administration, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420. Telephone: 202–461–9764 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: Section 2306(e)(3) and (4) of title 38, United States Code, authorizes VA to provide a monetary allowance for the private purchase of an outer burial receptacle for use in a VA national cemetery where its use is authorized. The allowance for qualified interments that occur during

CY 2022 is the average cost of Government-furnished graveliners in Fiscal Year (FY) 2021, less the administrative cost incurred by VA in processing and paying the allowance in lieu of the Government-furnished graveliner.

The average cost of Government-furnished graveliners is determined by taking VA’s total cost during a fiscal year for single-depth graveliners that were procured for placement at the time of interment and dividing it by the total number of such graveliners procured by VA during that fiscal year. The calculation excludes both graveliners pre-placed in gravesites as part of cemetery gravesite development projects and all double-depth graveliners. Using this method of computation, the average cost was determined to be \$371.00 for FY 2021.

The administrative cost is based on the costs incurred by VA during CY 2021 that relate to processing and paying an allowance in lieu of the Government-furnished graveliner. This cost has been determined to be \$9.00.

The allowance payable for qualifying interments occurring during CY 2022, therefore, is \$362.00.
