Section 712 of FY15 NDAA extended the requirement to conduct the survey from 2017 through 2020. Surveys of civilian physician and non-physician behavioral health care providers will be conducted in a number of locations in the United States each year. Respondents include civilian physicians (M.D.s & D.O.s) and non-physician behavioral health providers (clinical psychologists, clinical social workers and other TRICARE authorized behavioral health providers). The locations surveyed will include areas where the TRICARE Prime benefit is offered (known as TRICARE PRIME Service Areas) and geographic areas where TRICARE Prime is not offered. Respondents will be contacted by mail with a telephone follow-up to complete the survey.
