SUPPLEMENTARY INFORMATION:

I. Background

DoD is establishing the Defense Mass Transportation Benefits Records (DMTBR), DoD-0009, as a DoD-wide Privacy Act system of records. A DoD-wide system of records notice (SORN) supports multiple DoD paper or electronic recordkeeping systems operated by more than one DoD component that maintain the same kind of information about individuals for the

same purpose. Establishment of DoD-wide SORNs helps DoD standardize the rules governing the collection, maintenance, use, and sharing of personal information in key areas across the enterprise. DoD-wide SORNs also reduce duplicative and overlapping SORNs published by separate DoD components. The creation of DoD-wide SORNs is expected to make locating relevant SORNs easier for DoD personnel and the public, and create efficiencies in the operation of the DoD privacy program.

The DoD Mass Transportation Benefit Program encourages employees to use mass transit for commuting to and from work by offering a commuter subsidy as an incentive. The purpose of the program is to reduce traffic congestion and pollution and to improve employee quality of life by providing them commuting flexibility through multiple transportation alternatives. DoD provides mass transportation benefits to offset commuting costs to active duty Service members and civilian personnel (to include NAF employees), as authorized by law and regulation. The program covers a wide variety of alternative transportation modes such as vanpools, commuter trains, and local busses.

DoD SORNs have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Privacy, Civil Liberties, and FOIA Directorate website at <https://dpcltd.defense.gov>.

II. Privacy Act

Under the Privacy Act, a "system of records" is a group of records under the control of an agency from which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to the individual. In the Privacy Act, an individual is defined as a U.S. citizen or lawful permanent resident.

In accordance with 5 U.S.C. 552a(r) and Office of Management and Budget (OMB) Circular No. A-108, DoD has provided a report of this system of records to OMB and to Congress.

Dated: January 4, 2022.
