DEPARTMENT OF STATE

[Public Notice: 11648]

Request for Information on Conducting Anti-Trafficking Work Using a Racial Equity Lens

AGENCY: Department of State.

ACTION: Request for information.

SUMMARY: The Department of State, on behalf of the Senior Policy Operating Group (SPOG) (see Background section below for more information on the SPOG), requests written information on how it can advance racial justice and equity to assist in SPOG agencies' individual and the SPOG's collective implementation of *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*. This request for information (RFI) is part of the SPOG's ongoing efforts to engage and collaborate with diverse communities and develop an implementation plan for integrating racial equity into U.S. government anti-trafficking efforts. The implementation plan will also highlight the importance of an intersectional approach, as racism often compounds with other forms of discrimination to affect individuals' vulnerability to human trafficking. Additionally, it will complement agencies' individual work to implement *Diversity, Equity, Inclusion and Accessibility in the Federal Workforce* by sharing information and practices for increasing diversity in the federal workforce as an integral way to strengthen agencies' anti-trafficking work. Submissions must be made in writing to the Office to Monitor and Combat Trafficking in Persons at the Department of State by March 15, 2022. Please refer to the

Addresses, Scope of Interest, and Information Sought sections of this Notice for additional instructions on submission requirements.

DATES: Submissions must be received by 5 p.m. EST on March 15, 2022.

ADDRESSES: Written submissions and supporting documentation, such as research studies, fieldwork, training materials, evaluations, assessments, and other relevant materials, may be submitted by email to: TIPOutreach@state.gov

Scope of Interest: The Department of State, on behalf of the SPOG, requests information relevant to increasing the SPOG agencies' collective awareness of the intersection between racial equity and U.S. government anti-trafficking policies and programs and to identify areas for collaboration and improvement. Because racism often compounds with other forms of discrimination to increase individuals' vulnerability to human trafficking, advancing racial equity may also complement agencies' efforts to improve equity more broadly, for example, in furtherance of E.O. 14020 (*Establishment of the White House Gender Policy Council*), E.O. 13988 (*Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation*), E.O. 14031 (*Advancing Equity, Justice, and Opportunity for Asian Americans, Native Hawaiians, and Pacific Islanders*), among other Presidential actions focused on advancing equity for systemically marginalized communities. Also, while E.O. 13985 covers both racial equity and support for underserved communities, this initiative will focus squarely on racial equity.

Submissions should not exceed 20 pages and should not include any information that cannot be made publicly available. The submitter may also include links to online material or interactive presentations but should ensure all links are publicly available. Attachments, linked resources, and documents do not count against the 20-page limit. Submissions should be written concisely, in plain language, and in a narrative format. Submitters may respond to part or all of the questions listed in this Notice. However, only those questions for which the submitter has direct personal or professional experience should be answered. Submitters should clearly identify the questions to which they are responding. Where appropriate, submissions should include citations, references, and/or links to the source material. If using primary sources, such

as research studies, interviews, direct observations, or other sources of quantitative or qualitative data, submitters should provide details on the research or data-gathering methodology and any supporting documentation. Each response should include, to the extent applicable:

- The name of the individual(s) and organization responding;
- A brief description of the mission or area of expertise of the responding individual(s) or organization(s);
- The name, phone number, and email address of a single point of contact for questions or other follow-up on the response; and
- The question(s) addressed in the submission.

Confidentiality: Submissions will be shared with the U.S. government agencies that are members of the SPOG and may be made publicly available. In addition, any information submitted to the Department of State may be releasable pursuant to the provisions of the Freedom of Information Act or other applicable law.

Response: The Department of State will confirm receipt of each submission and may reach out to parties who respond to this RFI with follow-up questions. The SPOG will continue to engage stakeholders and community members for the purposes of implementing E.O. 13985 and to continue improving its efforts.

SUPPLEMENTARY INFORMATION:

1. Background

E.O. 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*, states the Administration policy to “pursue a comprehensive approach to advancing equity for all, including people of color and others who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality” which involves a whole-of-government approach.

Through this RFI, the SPOG seeks input, information, and recommendations from a broad array of stakeholders in the public, private, advocacy, not-for-profit, and philanthropic sectors, including state, local, tribal, and territorial areas, on available methods, approaches, and tools to apply a racial equity lens to Federal government anti-trafficking efforts.

Definitions

This RFI adopts the definition of the term “equity” used in E.O. 13985: The consistent and systematic fair, just, and impartial treatment of all individuals,
