afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the BLM Arizona State Director no later than June 7, 2022. If the authorized officer determines that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

For a period until March 11, 2024, the lands described earlier will be segregated from all forms of appropriation under the public land laws, including location and entry under the United States mining laws, and from leasing under the mineral and geothermal leasing laws, unless the application is denied or canceled, or the withdrawal is approved prior to that date.

This application will be processed in accordance with the regulations set-forth in 43 CFR part 2300.

Notice of Proposed Filing of Plats of Survey; Montana

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of proposed official filing.

SUMMARY: The plats of survey for the lands described in this notice were filed on June 28, 2021, in the Bureau of Land Management (BLM) Montana State Office, Billings, Montana. This publication provides notice and an opportunity for the public to protest the determinations made on the June 28, 2021, plats of survey.

DATES: A person or party who wishes to protest this decision must file a notice of protest in time for it to be received in the BLM Montana State Office no later than April 8, 2022.

ADDRESSES: A copy of the plats may be obtained from the Public Room at the BLM Montana State Office, 5001 Southgate Drive, Billings, Montana 59101, upon required payment. The plats may be viewed at this location at no cost.

FOR FURTHER INFORMATION CONTACT: Joshua Alexander, BLM Chief Cadastral Surveyor for Montana; telephone: (406) 896–5123; email: *jalexand@blm.gov.* Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting Mr. Alexander. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The survey was executed at the request of the Field Manager, Miles City Field Office, Miles City, Montana and was necessary to exclude a privately owned cemetery from the land description of a proposed BLM land acquisition known as the Lower Musselshell River Acquisition Project. The BLM recorded the plats of survey in the Garfield County Courthouse on June 28, 2021, to create the new land descriptions for the title opinion of the proposed acquisition. After the plats were filed and recorded, the BLM and the private landowner terminated the entire proposed land acquisition. Even though the proposed land acquisition was terminated, this notice is intended to provide the public with an opportunity to protest the BLM's corner determinations and land descriptions as shown on the plats of survey.

The lands surveyed are:

Principal Meridian, Montana

T. 18 N., R. 30 E.
Sec. 18.

A person or party who wishes to protest the filed plats of survey identified earlier must file a written notice of protest with the BLM Chief Cadastral Surveyor for Montana at the address listed in the **ADDRESSES** section of this notice. The notice of protest must identify the plat(s) of survey that the person or party wishes to protest. The notice of protest must be received in the BLM Montana State Office no later than the date described in the **DATES** section of this notice; If received after regular business hours, a notice of protest will be considered filed the next business day. A written statement of reasons in support of the protest, if not filed with the notice of protest, must be filed with the BLM Chief Cadastral Surveyor for Montana within 30 calendar days after the notice of protest is received.

Upon receipt of a timely protest, and after a review of the protest, the Authorized Officer will issue a decision either dismissing or otherwise resolving the protest.

If a notice of protest is received after the date described in the **DATES** section of this notice and the 10-calendar-day grace period provided in 43 CFR 4.401(a), the notice of protest will be untimely, may not be considered, and may be dismissed.

Before including your address, phone number, email address, or other personal identifying information in a notice of protest or statement of reasons, you should be aware that the documents you submit—including your personal identifying information—may be made publicly available in their entirety at any time. While you can ask us to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

SUPPLEMENTARY INFORMATION:

Advisory Committee Scope and Objectives

The Grand Canyon Protection Act (Act) of October 30, 1992, Public Law 102–575, directs the Secretary to consult with the Governors of the Colorado River Basin States and with the general public, including members of the public with certain interests or affiliations, when preparing the requisite criteria and operating plans for Glen Canyon Dam. This group, designated the Glen Canyon Dam Adaptive Management Work Group or AMWG, provides advice and recommendations to the Secretary relative to the operation of the Glen Canyon Dam. The AMWG operates in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. Appendix 2.

The duties or roles and functions of the AMWG are in an advisory capacity only. They are to: (1) Establish AMWG operating procedures, (2) advise the Secretary in meeting environmental and cultural commitments including those contained in the Record of Decision for the Glen Canyon Dam Long-Term Experimental and Management Plan Final Environmental Impact Statement and subsequent related decisions, (3) recommend resource management objectives for development and implementation of a long-term monitoring plan, and any necessary research and studies required to determine the effect of the operation of Glen Canyon Dam on the values for
