SUPPLEMENTARY INFORMATION:

Purpose: The Advisory Committee to the Director (ACD), CDC, shall advise the Secretary, HHS, and the Director, CDC, on policy and broad strategies that will enable CDC to fulfill its mission of protecting health through health promotion, prevention, and preparedness. The committee recommends ways to prioritize CDC's activities, improve results, and address health disparities. It also provides guidance to help CDC work more effectively with its various private and public sector constituents to make health protection a practical reality.

Matters to be Considered: The agenda will include discussions regarding CDC's current and future work in the following topic areas: (1) Data modernization; (2) laboratory quality; and (3) health equity. The Advisory Committee to the Director (ACD) will consider the formation of working groups for each of the first two topics and hear a report from the existing health equity working group on the third topic. Agenda items are subject to change as priorities dictate.
