

For the foregoing reasons, the Exchange believes that the proposed change is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not intended to address competition, but rather, makes permanent the current MWCB Pilot Rules for the protection of the markets. The Exchange believes that making the current MWCB Pilot Rules permanent would have no discernable burden on competition at all, since the Pilot Rules have already been in effect since 2012 and would be made permanent without any changes. Moreover, because the MWCB mechanism contained in the Pilot Rules requires all exchanges and all market participants to cease trading at the same time, making the Pilot Rules permanent would not provide a competitive advantage to any exchange or any class of market participants.

Further, the Exchange understands that the other SROs will submit substantively identical proposals to the Commission. Thus, the proposed rule change will help to ensure consistency across SROs without implicating any competitive issues.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act²³ and Rule 19b-4(f)(6) thereunder.²⁴ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)

of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)²⁵ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²⁶ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange asked that the Commission waive the 30 day operative delay so that the proposal may become operative immediately upon filing. Waiver of the 30-day operative delay would allow the Exchange to immediately provide the protections included in this proposal in the event of a MWCB halt, which is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.²⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[Release No. 34-94653; File No. SR-MEMX-2022-07]

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Clarify the Information Disseminated in the MEMOIR Top Data Feed

April 8, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the

²⁸ 17 CFR 200.30-3(a)(12).

²³ 15 U.S.C. 78s(b)(3)(A)(iii).

²⁴ 17 CFR 240.19b-4(f)(6).

“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on April 1, 2022, MEMX LLC (“MEMX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend Rule 13.8(b) to clarify what information is disseminated in the MEMOIR Top data feed. The text of the proposed rule change is provided in Exhibit 5.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 13.8(b) to clarify what information is disseminated in the MEMOIR Top data feed. The Exchange does not propose any changes to the information that is disseminated in the MEMOIR Top data feed, or any changes to the Exchange’s System functionality, order handling, or operation, in this filing. Instead, this proposed change merely corrects an inadvertent drafting error contained in the Exchange’s initial Rules in order to clarify what

information is disseminated in the MEMOIR Top data feed today. Specifically, the Exchange’s Rule 13.8(b) currently states that MEMOIR Top is an uncompressed data feed that offers top of book quotations and execution information based on equity orders entered into the System, however, the information actually published through MEMOIR Top is limited to top of book quotations. Accordingly, the Exchange proposes to eliminate the reference to execution information from Rule 13.8(b). The proposed change is therefore intended to add clarity and promote transparency around the Exchange’s current operation and Rules for the benefit of its Users and all market participants.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. As described above, the Exchange simply proposes to eliminate the reference to execution information from Rule 13.8(b) to correct an inadvertent drafting error contained in the Exchange’s initial Rules and clarify what information is disseminated in the MEMOIR Top data feed today. Accordingly, the Exchange believes the proposed change is consistent with the Act because it is intended to add clarity and promote transparency around the Exchange’s current operation and Rules, which would help to avoid confusion for the benefit of its Users and all market participants.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposal would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the proposed change would add clarity and promote transparency around the Exchange’s current operation and its Rules for the benefit of its Users and all

market participants, as described above. No changes to the Exchange’s System functionality, order handling, or operation are contemplated by these proposed changes, which would merely clarify the Exchange’s current operation and its Rules. As such, the proposal does not address competitive issues but is concerned solely with the administration of the Exchange and its Rules. Accordingly, as the Exchange is not proposing any changes to the Exchange’s System functionality, order handling, or operation, the Exchange does not believe the proposed rule change could have any impact on competition (intermarket or intramarket).

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b–4(f)(6)⁸ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-94654; File No. SR-FINRA-2022-009]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of a Proposed Rule Change To Amend Certain FINRA Rules To Permit, and in Some Instances Require, Electronic Service and Filing of Documents in Disciplinary and Other Proceedings and Appeals

April 8, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 6, 2022, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend FINRA Rules 1012, 1015, 6490, 9132, 9133, 9135, 9146, 9321, 9341, 9349, 9351, 9522, 9524, 9525, 9559 and 9630 to permit, and in some instances require, electronic service and filing of documents in disciplinary and other proceedings and appeals.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Several of FINRA's rules regarding method of service and filing have been amended temporarily to permit, and in some instances require, electronic filing and service during the period in which FINRA's operations have been impacted by the COVID-19 pandemic.³ These temporary amendments pertain to disciplinary proceedings before the Office of Hearing Officers (OHO), and to appeals before the National Adjudicatory Council (NAC), among other types of administrative proceedings.⁴ However, the temporary amendments do not permit electronic service of an initial complaint on a respondent. FINRA did not temporarily change the method of serving the initial complaint due to heightened fair process concerns.⁵ Likewise, the proposed rule change would not change how initial complaints are served. The only permissible methods of serving the

⁴ The filings to establish and extend the temporary amendments involving electronic service and filing also included additional temporary amendments to provide extensions of time to FINRA staff, respondents and other parties in connection with certain adjudicatory and review processes. See Securities Exchange Act Release No. 88917 (May 20, 2020), 85 FR 31832 (May 27, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2020-015). For example, under original Rule 6490(e), the time to appeal was seven calendar days, and a subcommittee was required to convene once each calendar month to consider all appeals received during the prior month. Under the temporary amendments to Rule 6490(e), the time to appeal was extended to 30 calendar days, and the time for the subcommittee to convene was extended to once every 90 days. The time frames under the proposed rule change are reverting back to their original form, so the timing requirements under the proposed rule change are the same as they were under the original rule.
