**Project: Center for Substance Abuse Prevention's (CSAP) "Talk. They Hear You." Screen 4 Success Instruments and Consent Form. (Office of Management [OMB] No. 0930-XXXX)**

SAMHSA is requesting approval for its "Talk. They Hear You." media campaign's "Screen 4 Success" Consent Form and Screener. The "Talk. They Hear You." campaign aims to reduce underage drinking and substance use among youths under the age of 21 by providing parents and caregivers with information and resources they need to address alcohol and other drug use with their children early. The new "Talk. They Hear You." campaign's "Screen 4 Success" mobile app is an interactive tool to help parents and caregivers, educators, and communities get informed, be prepared, and take action to prevent underage drinking and other drug use. Specifically, it provides these groups with the ability to self-screen and self-manage referrals as a prevention service. Parents have a significant influence in their children's decisions to experiment with alcohol and other drugs.

SAMHSA and its Centers will use the data for annual reporting: (1) Reporting results of the campaign's performance, (2) evaluating the effectiveness of the application and its utility and (3) assessing the accountability and performance of this component and the overall media campaign, including a focus on health equity.

The tools reflect CSAP's desire to elicit pertinent participant level data

that can be used to not only guide future programs and practice, but also respond to stakeholder, congressional and agency inquiries. For a more in-depth review of the screener and consent form, please see Attachments A-C.

This information will be used by SAMHSA to help improve the accountability and performance of its "Talk. They Hear You." program and social media campaign (each of which refer to this component and other resources). Specifically, the program evaluators will use the information collected through this request to generate annual performance reports that assess the impact of this SAMHSA program outcomes. This information will also be used to inform recommendations regarding future programming should the program continue to be funded.

The information collected from these forms is captured by the "Screen 4 Success" mobile app and made available to the "Talk. They Hear You." media campaign evaluators in real time. Approval of this data collection activity will allow SAMHSA to continue to assist those under the age of 21, and parents to screen themselves, the parents and client in identifying individuals that may need further assessment or intervention for the alcohol use, drug use, suicide prevention, and other mental health needs. Many of these issues occur at the same time in youth and require referral to co-occurring programs so there is significant value in screening quickly for all of them at the same time. By implementing this screener, we hope to be able to divert individuals who might be at risk of alcohol dependence and these other problems to effective programs and services.

## DEPARTMENT OF HOMELAND SECURITY

### U.S. Immigration and Customs Enforcement

[Docket No. ICEB–2022–0006]

RIN 1653–ZA26

#### Employment Authorization for Ukrainian F–1 Nonimmigrant Students Experiencing Severe Economic Hardship as a Direct Result of the Ongoing Armed Conflict in Ukraine

**AGENCY:** U.S. Immigration and Customs Enforcement, Department of Homeland Security.

**ACTION:** Notice.

**SUMMARY:** This notice announces that the Secretary of Homeland Security (Secretary) is suspending certain regulatory requirements for F–1 nonimmigrant students whose country of citizenship is Ukraine, regardless of country of birth (or individuals having no nationality who last habitually resided in Ukraine), and who are experiencing severe economic hardship as a direct result of the ongoing armed conflict in Ukraine. The Secretary is taking action to provide relief to these Ukrainian students who are lawful F–1 nonimmigrant students, so the students may request employment authorization, work an increased number of hours while the school is in session and reduce their course load while continuing to maintain their F–1 nonimmigrant student status. The Department of Homeland Security (DHS) will deem an F–1 nonimmigrant student who receives employment authorization by means of this notice to be engaged in a “full course of study” for the duration of the employment authorization, if the nonimmigrant student satisfies the minimum course load requirement described in this notice.

**DATES:** This F–1 notice is effective April 19, 2022, through October 19, 2023.

**FOR FURTHER INFORMATION CONTACT:** Sharon Snyder, Unit Chief, Policy and

Response Unit, Student and Exchange Visitor Program, MS 5600, U.S. Immigration and Customs Enforcement, 500 12th Street SW, Washington, DC 20536–5600; email: [sevp@ice.dhs.gov](mailto:sevp@ice.dhs.gov), telephone: (703) 603–3400. Effective with this publication, suspension of the employment limitations is available through October 19, 2023, for those who are in lawful F–1 nonimmigrant status. DHS will deem an F–1 nonimmigrant student granted employment authorization through this notice to be engaged in a “full course of study” for the duration of the employment authorization, if the student satisfies the minimum course load set forth in this notice.<sup>1</sup> See 8 CFR 214.2(f)(6)(i)(F).

<sup>1</sup> Because the suspension of requirements under this notice applies throughout an academic term during which the suspension is in effect, DHS considers an F–1 nonimmigrant student who engages in a reduced course load or employment (or both) after this notice is effective to be engaging in a “full course of study,” see 8 CFR 214.2(f)(6), and eligible for employment authorization, through the end of any academic term for which such student is matriculated as of October 19, 2023, provided the student satisfies the minimum course load requirements in this notice. DHS also considers students who engage in online coursework pursuant to U.S. Immigration and Customs Enforcement (ICE) Coronavirus Disease 2019 (COVID–19) guidance for nonimmigrant students to be in compliance with regulations while such guidance remains in effect. See ICE Guidance and Frequently Asked Questions on COVID–19, Nonimmigrant Students & SEVP-Certified Schools: Frequently Asked Questions, <https://www.ice.gov/coronavirus> (last visited Mar. 4, 2022).
